# RUSH COUNTY PASSES ITS QUOTA

## Rushville Sends War Fund Over Allotment

Subscriptions Totalling \$4,516.50 Are Reported at Mass Meeting Thursday Night, Which is Enough, When Added to Carthage and Milroy Funds, to Make More Than Necessary \$10,500

### GLOOM AT MEETING SOON DISPELLED

Much More Coming From Rushville Township Because Many Subscriptions Were Not Reported

### A BAND OF DETERMINED FOLKS

Crowd Not Much Over 400 People But It Was There to do Business—Short Program

#### The Line-Up

It was impossible to get a complete list of the Rushville township subscriptions today until the list could be checked up. However, the line-up was something like this when the smoke cleared away:

One contribution of \$200.  
Eight of \$100.  
Twenty-six of \$50.  
One of \$30.  
Thirty-nine of \$25.  
Eleven of \$20.  
Two of \$15.  
Two of \$12.  
Thirty-eight of \$10.  
Forty-one of \$5.  
Eight of \$4.  
Fourteen of \$2.  
Three of \$3.  
Fifteen of \$1.

A little band of people not much more than four hundred strong gathered at the Coliseum last night for the Rushville township Red Cross mass meeting. The gloom was so thick it could be cut with a knife about eight o'clock when not over two score people had ventured inside the Coliseum door. Soon the Odd Fellows band, leading barely a "handful" of men who were marching and a half dozen automobiles, drew up to the place and then the less venturesome who had been standing on the outside gathered around closer.

Some folks whispered behind their hands that it would be wise to call off the meeting until a later date and not make it a fiasco. They thought about Milroy's fund which was nearing \$4,000 and Carthage's contributions, which were known to be past \$2,000.

But E. B. Thomas and Judge Will M. Sparks, who had the thing in charge, thought differently. They knew with what success the canvassers had been meeting and they knew that Rushville would not shirk its duty in the crisis.

It was a determined little band of people. When \$100 subscriptions were called out like men refer to fifty cent pieces and \$50 contributions were reeled off with startling regularity, the crowd was put on its mettle. Before they finished with the \$100 subscriptions, one thousand dollars, counting \$200 from the Chas. E. Francis company, had been accumulated. Thus the contributions came, denominations as low as a dollar being received, until the magnificent sum of \$4,516.50 had been accumulated. This put Rush county ahead of her allotment.

That meeting was one that will

### Relief Fund Is Now \$12,884.25

Reports Today From Orange and Walker Townships Add to Fast Growing Amount, Which This Afternoon Was \$2,384.25 Over the Allotment—More Meetings to be Held in the County.

### OSBORN AND MANILLA NEXT

#### BULLETIN.

A report at three o'clock this afternoon reaching the Red Cross here said Orange township had raised her subscriptions to \$800, which makes a grand total of \$13,163.50.

Reports from six districts in the county this afternoon showed \$12,884.25 raised for the Rush county Red Cross War Relief fund. The allotment for the county is \$10,500, showing that the fund is \$2,384.25 oversubscribed.

This remarkable showing is due to the activity of canvassers in Milroy, Carthage, Rushville, the east half of Walker township, the Plum Creek district of Union township and one-fourth of the territory in Orange township.

Before the time for the campaign ends, it would not be surprising if the Rush county allotment were doubled. By Sunday night meetings in the interest of war relief will have been held in every township except Richland, and it is not likely such a gathering will be held there.

There will be a meeting at Manilla tonight for the west half of Walker township, at which Judge Sparks will speak. The Jackson township meeting will be held tonight at Osborn school and E. B. Thomas will speak. Sunday afternoon a meeting will be held at Raleigh and the speakers will be Judge Sparks, the Rev. Father Lyons and Dr. J. C. Sexton. On Sunday evening at 6:30 o'clock a meeting will be held at Center church and E. B. Thomas and one or two others will speak.

Another \$100 donation to the Rushville fund was obtained this morning, bringing the approximate total hereto \$4,616.50. The last report from Milroy showed \$3,870 from Anderson township and the latest report from Carthage was \$2,300 donated in Ripley township. Plum Creek has already reported \$190 raised at the meeting Wednesday night.

### Big Crowd at Red Cross Fair the First Night

People Patronize Penny Supper, Booths and Dance and 180 Attend One Performance of Home Talent Show. Estimated That at Least \$150 Was Made.

### PROGRAM CHANGES TONIGHT

#### PROGRAM FOR FAIR Tonight

Dance in K. of P. hall in charge of Elks lodge.

Psi Iota Xi show and booths will be open all evening.

Lunch at five o'clock, served by the Psi Iota Xi sorority.

#### Saturday

Lunch by Ladies Aid society of First Presbyterian church at 11:00 a. m.

Markets conducted by women of Red Cross auxiliaries of Plum Creek, Glenwood and New Salem.

Penny supper at five o'clock, conducted by Odd Fellows, Rebekahs and Encampment.

Dance in charge of Uniform Rank, Knights of Pythias.

All booths and home talent show will be open at night as usual.

A large crowd of people attended the opening of the Red Cross fair at the Knights of Pythias building last night, which predicts a successful three days.

The booths, dance and penny supper were liberally patronized all evening. Conservative estimates were that at least \$150 was made for the Red Cross on the first night alone.

A crowd of 180 persons attended the only performance of the home talent show. Those who were there say it was the biggest dime's worth they ever received. Jess Pugh and many young people who have had prominent parts in home talent affairs assisted. A changed program will be offered tonight and it is likely that more than one show will be given. It was after eleven o'clock before the lights in the booths were switched off for the night.

The penny supper given by the W. R. C. and the Ladies Aid societies of the M. E. and Baptist churches was pronounced the best ever served here. The menu was so large and varied that no one had any trouble supplying their wants. Over one hundred dollars was taken in at the penny supper alone. The idea of having housewives leave a potato on their doorsteps and Boy Scouts collecting them, proved a happy scheme to get this high-priced article. Those in charge last night had plenty and some to spare for the next night. A light lunch will be served tonight by the Psi Iota Xi sorority.

The first stand—soft drinks—was in charge of the Tri Kappa sorority and about \$13 was cleared for the fund. The next was a flag stand presided over by the Immaculate Sodality of the Catholic church. Red Cross flags made by the girls in the organization sold fast at 25 cents each and \$22 was taken in. The Pythian Sisters were in charge of the ice cream booth and Mahon-

### SPENDS SHORT TIME HERE

Senator Watson Will Address Soldiers at Ft. Harrison at 5 P. M.

Senator James E. Watson, who is in the district campaigning for Richard N. Elliott, spent a few hours here today between trains. He came up from Shelbyville where he spoke and went to Indianapolis this afternoon at three to address the candidates at the officers' training camp at Fort Benjamin Harrison at five o'clock this evening. Senator Watson will make a campaign speech in Greenfield tonight and another in Connersville tomorrow night.

### SUDDEN TWIST ON WHEEL DITCHES AUTO

William Myers, Sr., and Family of Lawrenceburg in Accident Mile North of Mays

### DAUGHTER IS BADLY HURT

Taking hold of the steering wheel while his son, William Myers, Jr., adjusted some of his clothing, William Myers, Sr., of Lawrenceburg, gave the wheel a sudden twist and threw the automobile into the ditch, resulting in severe injury to his daughter, Miss Emme Myers. Another daughter, Elizabeth was not injured except for a cut on the elbow. The accident occurred Thursday afternoon at four o'clock, one mile north of Mays.

The palm of the girl's hand was saved on a strand of barbed wire and a severe hemorrhage resulted, requiring four stitches to close the wound. Mr. Myers and son escaped with minor injuries. Dr. W. A. Lord was called from Mays. The girl's hand was badly cut and the wound will probably be difficult to heal. The family was enroute from Lawrenceburg to Middletown for a visit.

### HAS ADMENDMENT TO FOOD MEASURE

Senator Borah Would Authorize Federal Trade Commission to Fix Prices of Necessities

### ARTICLES IT APPLIES TO

(By United Press.)

Washington, June 22.—A sweeping measure authorizing the federal trade commission upon direction of the president, to fix prices on necessities, was introduced in the senate today by Senator Borah as an amendment to the food control bill. He would have the price fixing applied to steel, coal, oil, farm implements, meats, bread, flour and such articles of clothing commonly worn by wage earners and farm laborers.

Confident of early passage of food legislation, Herbert C. Hoover today is shaping into form the great distributing machinery of the country.

Patriotic appeals for volunteer agreement to keep this machinery in proper operation until the Lever bill passes is being made to producers, middlemen and consumers.

Grain exchange officials will meet here tomorrow when the department of agriculture will urge that paying continue as usual. House and senate debate on the bill continued today. Reed holding the floor nearly all day in the senate.

Mrs. Emory Schmidt and children arrived today after an extended visit in Kankakee, Ill.

### WOMEN REGISTER FAST HERE TODAY

Demonstrate That They Will Vote in Special Election and Take Interest in Politics

### SIX WAITING FOR OPENING

To Mrs. George W. Thomas of North Perkins Street Falls Honor of Being First to Register

That the women of Rush county are going to vote at the special election in September to name delegates to the constitutional convention and also take an active part in future politics here was evidenced this morning at the opening session of the county registration board.

Before the board opened for business six women were waiting to register and so great became the crowd before the board was prepared to handle the rush that many of the women were requested to return this afternoon at which time the board would be better prepared to take care of them.

To Mrs. George W. Thomas of North Perkins street fell the honor of being the first woman to register. Mrs. Thomas and her husband were there early and not to be outdone by his wife, Mr. Thomas was the first man to register.

Mrs. C. L. Bebout, wife of Mayor Bebout, Mrs. A. L. Aldridge and Mrs. John McKee, of near Orange, were among the early callers to register. So far the women have not objected to giving their age. One woman put it this way: "If we are anxious enough to vote why should we hesitate about giving our ages. It is no disgrace," and the women registering today evidently felt the same way.

Judge Sparks and A. L. Gary were among the first to register. It was believed before the day was over approximately 100 would have registered.

The registrars have plenty to do and anyone thinking the job "soft" would do well to watch the two clerks work awhile. The voter fills in and signs his application and then the clerks copy the name in two permanent record books and then make two copies of the registration blank for the chairmen of the two political parties. In addition to this they are kept busy between times answering questions, many of the foolish sort, and referring to a precinct map to tell some person in which precinct he or she belongs. This was just one day of the work. The board has 59 more days, excluding Sundays.

### WAR FUND TO BE EXCEEDED

Indications Are That It Would Pass \$75,000,000 Mark Today

(By United Press.)

Washington, June 22.—The \$100,000,000 mark originally fixed in the national Red Cross campaign will be greatly exceeded by Monday night if the present rate of returns continues. The \$75,000,000 mark will probably be passed today.

### IMPORTANCE OF ELECTION SHOWN

State Chairman Will H. Hays Wires Fon Riggs, Showing Eyes of Entire Party is on District

### "GET OUT VOTE" IS SLOGAN

Not Necessary for Voters to Register, Only Qualification Being to Live in Precinct 30 Days

There is nothing which can be said which will overstate the importance of the election Tuesday. I know you are doing everything possible but please do it twice. Don't let it drop a minute. Really the eyes of the entire party in the country are upon us and if we lose congress is democratic. Redouble efforts sure.

WILL H. HAYS.

State Chairman.

The above telegram from state chairman Will H. Hays to Fon Riggs, expresses the importance of the special election next Tuesday when a representative will be elected to congress to fill the vacancy caused by the death of D. W. Comstock. From now to the end of the campaign the republican cry will be "Get Out the Vote!"

Chairman Riggs pointed out today that it was imperative that the republicans of Rush county go to the polls next Tuesday and exercise their right of franchise. Efforts towards getting out the full party strength is now on and will continue until the polls close Tuesday. Despite the work the party leaders face, they can not do it all and the voters are urged not to underestimate the importance of the special election.

The telegram from the state chairman states precisely the importance of the election.

### SENATOR HARDING HERE FOR SPEECH

Republicans Confidently Expect Crowd to Hear One of Foremost Men in the Nation

### PARADE WILL FORM AT 7:45

Senator Warren G. Harding of Marion, Ohio, arrived this afternoon from Indianapolis to address the only republican meeting in Rushville of the brief congressional campaign. He will speak at the Coliseum tonight at eight o'clock and the meeting will be preceded by a parade at 7:45 o'clock directly after the Connersville delegation, headed by a band, arrives here. John A. Tittsworth went to Indianapolis and met Senator Harding and will entertain him while here.

The rule has been that the crowds have been large at all of the republican meetings over the district, and it is confidently believed tonight will be no exception. Senator Watson spoke to a crowd of 1,200 at Shelbyville last night and Senator Jones had 1,100 at Connersville on Tuesday night.

Senator Harding is one of the foremost republicans in the United States. He presided at the republican national convention in 1916 and took a very prominent part in the proceedings. Senator Harding is a splendid orator and has been mentioned as a possible candidate for the presidency in 1920. He was lieutenant-governor of Ohio before being elected to the United States senate.

## GERMANY SHOWN SUBMARINE MAD

Men and Women Pictured as Being Steadfast in Their Belief U-boats Will Win War.

### LETTER GIVES VIEWPOINT

(By United Press.)

Copenhagen, June 22.—All Germany is submarine mad. Men and women with their faces drawn by lack of adequate food, are steadfast in their belief that thousands of under-water craft, which the public is now led to believe Germany has, will win for the kaiser.

This is the picture of Germany from the Germany viewpoint printed in a letter received here today by a Danish resident, with close friends in high official positions in Berlin. Despite all difficulties of food supply the writer said the German public held complete confidence in the U-boat.

### BRAZIL NOTES PUBLIC

(By United Press.)

Washington, June 22.—In notifying the United States of her revocation of neutrality in the world war Brazil formerly recognized the strength of the Monroe doctrine and the traditional friendship of the two nations. The notes that were exchanged were made public by the state department today.

Paul Root, son of Mr. and Mrs. W. D. Root of Piqua, Ohio, formerly of this city, has joined the hospital corps of the regular army and is now stationed at the Columbus barracks.

## TOTAL REGISTRATION IN U. S. IS 9,649,938

Provost Marshal General Crowder Considers the Returns Practically 100% Registration.

### FIGURES ARE BEING ANALYZED

(By United Press.)

Washington, June 22.—Totals for registration for conscription were today turned over to the census bureau for a close analysis to determine why certain western states showed a registration of only about 50 per cent of the estimate while other states were far over their quota.

The grand total for registration was 9,649,938. Provost Marshal General Crowder considered the returns practically a 100 per cent registration. With the additional of the eligibles in the army and navy who were not required to register the total will be brought to well over the 10,200,000 estimate of the census bureau.

### PAYS PENALTY OF CRIME

Alfred Clark Confesses Murder Just Before he is Executed.

(By United Press.)

Columbus, O., June 22.—Confessing to his crime ten minutes before his electrocution today Alfred Clark paid the penalty for the murder of Harvey Hake, marshal of Covington, January 12.

Attempts to have the Ohio supreme court reverse the death sentence and pleas to Governor Cox were fruitless.

## CREW BELIEVES SHOTS HIT MARK

American Armed Freighter Norlina Reports Firing Nineteen Shots at German Submarine.

### SUBSTRUCTURE IS WRECKED

(By United Press.)

Baltimore, Md., June 22.—One or more of nineteen shots which the gun crew of the American armed freighter Norlina fired at a submarine when three days out of Liverpool on her voyage to America are believed by the crew to have reached their mark. The Norlina reached an American port today. Capt. Foster said he believed the U-boat was sunk.

Capt. Foster said the substructure of the submarine was wrecked by some of the shots and he was convinced the submersible went to the bottom.

## EUROPE'S BROKEN HEART SPEAKS OUT

Washington, June 22.—Belgium, the broken heart of Europe, spoke its sorrow in the chamber of the senate today before a great throng in the galleries and on the floor, when Baron Moncher, chief of the Belgium mission to this country told of his country's misfortune.

"It is only my desire to express the gratitude of the whole of Belgium feels towards the American people and government," he said.

"The hour will come, hastened by the powerful aim of the United States, when Belgium, restored to full power, will be able to thank all those who have aided her."

### AUDITOR FILES REPORT

Shows \$19,292.45 Common School Revenue in County

The semi-annual report of the county auditor to the state superintendent of public instruction shows that the county has on hands the sum of \$19,292.45 in common school revenue and \$703.31 congressional revenue. The county will get part of this back in the settlement with the state. The common school fund totals \$92,955.68 and the congressional fund \$23,443.99.

### RED CROSS RELIE FUND REACHES \$12,894.25

Continued from Page 1.

Chairman Thomas received some inspiring reports from Orange and Walker townships this morning. The canvassers sent word that \$526.75 had been raised in the east half of Walker township alone, so that there is no doubt but that Walker will pass its allotment of \$600 at the Manilla meeting tonight. Orange was allotted \$500 and Charles Owens reported this morning he had raised \$361 in his district, which is only a fourth of the township.

### MUST TASTE GOOD.

(National Crop Improvement Service.)  
A dairy ration must, of all things, be palatable so that a cow will eat it. It must be bulky and coarse so as to avoid indigestion and sickness. It must contain a variety of foods so that the cow will not tire of it or get off her feed. It must contain enough real protein—all protein is not alike. It must contain the right amounts and kinds of mineral substances necessary to life, health and milk secretion. It must be highly digestible. Many feeds are only about fifty to sixty per cent digestible and the work of excreting so much waste matter is costly in that it uses up the energy of the food to do it.

### SUCCESSFUL FEEDING.

(National Crop Improvement Service.)  
It is most significant and probably the best argument for mixed feeds when it is considered that a large number of the most prominent and skilled men in America have discarded their own mixed feeds and rations because they have found a satisfactory brand of feed which will make as much milk at less cost and no trouble and, above all, keeps cows in perfect health.

Many agricultural schools and experiment stations use and have used them for the same reason.

You can verify this by writing to any experiment station and they will give you the names of mixed brands which are best adapted to your purpose.

### FIVE POUNDS OF MILK ON ONE POUND OF GRAIN.

(National Crop Improvement Service.)  
C. H. Packard, of Delavan, Wisconsin, a progressive and practical dairyman, was not satisfied with his ration of home-grown feed. Although he mixed his ration with brains and it seemed to be theoretically correct, he thought he would try out his own mixture in comparison with a first class dairy feed. Much to his surprise he found that he could save about five lbs. of grain per cow per day and nearly 5 cents per cow. He figured his own grain at prices much below the wholesale market and bought his mixed feed at retail.

AT THE DAILY REPUBLICAN

# ATTENTION Republicans

An election will be held in the sixth congressional district on

## Tuesday, June 26

to elect a congressman to succeed the late Daniel W. Comstock, who died recently. RICHARD N. ELLIOTT, of Connersville, a capable man of high attainments, who made an excellent record in the state legislature, has been nominated as the Republican candidate.

Every Republican in Rush county is strongly urged to go out and vote on JUNE 26, and to see that his neighbor votes. If the Republicans expect to carry the sixth district, they will have to go to the polls.

According to a new law, a voter who is unavoidably absent or ill on election day may vote with an absentee's blank. Republicans having friends who are sick or will be out of their home precincts June 26 are requested to go to the clerk's office in the court house where they can get an application and ballot to vote according to the absentee law.

### MRS. MARY E. REED DIES AT GLENWOOD

Widow of Late John Reed Expires at Age of 75 Years Following Illness of Two Years

FUNERAL SUNDAY AT 2 P. M.

Mrs. Mary E. Reed, 75 years old, widow of the late John Reed, died Thursday afternoon at three o'clock at Glenwood following an illness of two years from a complication of diseases. She would have been 76 years old July 10, having been born in 1841. Her last illness was of two weeks duration. She was a daughter of Mr. and Mrs. Casper Shrimp and was born in Cincinnati, Ohio. Mrs. Reed was the eldest of twelve children. She was married January 15, 1863. Mr. Reed died in 1880.

She is survived by two daughters, Mrs. William Combs and Mrs. William Baker and two sons, Charles L. Reed and Thomas Reed. She also leaves three sisters, Mrs. Kate Clawson of Connersville, Mrs. Frances Anthony of Los Angeles, Cal., and Mrs. Emma Woods of Indianapolis and one brother, George W. Shrimp of Riverside, Cal., and also three grandchildren. Mrs. Reed had been a member of the Baptist church since early in life, and in recent years of the Methodist church.

The funeral services will be conducted Sunday afternoon at two o'clock at the late residence and burial will take place in the Glenwood cemetery.

### RESOLUTIONS ON MRS. GREEN'S DEATH

Adopted by Women's Presbyterial Missionary Society at Session Held at Glenwood

WAS MANY YEARS A MEMBER

The Women's Presbyterial Missionary society of the Indiana Presbyterial, United Presbyterian church, adopted resolutions on the death of Mrs. Elizabeth A. Green, who died at Stanford, Cal., and was buried at Knightstown yesterday, at the annual convention which closed in Glenwood yesterday afternoon. The resolutions follow:

Mrs. Elizabeth A. Green was for many years a faithful and honored member of the Indiana Presbyterial Missionary Society. (She was a woman of unusual grace and dignity, broad in thought, and kind in regard to the opinions of others. Without effort she placed a high standard for the home life and the Church life, because they both came from the same source, viz., The life hid with Christ in God.

To her, life was a pleasure because it was full of duty. Her life here was crowned with many years and worthy deeds. Now, we think of her as crowned with glory and honor at the right hand of God.

Resolved:—First, That we express our thanks to God for one so noble and true as Mrs. Green.

Second, That we extend our sympathy to the members of her family.

Third, That this paper be recorded in the Minutes.

Judge Sparks presided last night. The audience joined in singing "America" and the Rev. C. M. Youcum led in prayer. Jess Pugh, who was introduced as the man all Rush county was proud of, said he had been casting about for something appropriate, and when he finished reading a short story by Irvin S. Cobb, the crowd was ready to agree that there was nothing inappropriate about it.

## The Needs of France

After the Red Cross, which is this week raising \$100,000,000 for relief during the war, cares for its home needs, it will quite naturally turn to France, for it is not only there that our boys will see service; the needs of France can not but stir the heart of every American. Tuberculosis has become prevalent as a result of this trench war. And the disease is spreading. Here is the call not only to aid the brave and liberty-loving French people, but also to help make this afflicted country healthy for our own sons and brothers who are soon to be there in such great numbers.

Some 1500 towns and villages have been destroyed in France. In her devastated regions, men, women and children are homeless and suffering for the bare necessities of life. We ought at the earliest moment to provide these people with the simplest essentials to begin life anew. They need clothing, agricultural implements, domestic animals, especially horses and cows, seeds fertilizers, tools, bedding, stoves and the elementary materials with which to cover themselves by day and night. Some idea can be involved in such an undertaking with the knowledge that Mr. Hoover, through his magnificent organization, has advanced for Governments and from private subscriptions \$350,000,000 for the relief in Belgium. If there were no thought of protection and provisions for our own people in France, can we hesitate to provide generously from our plenty that we may show some appreciation of our everlasting debt to the people of our sister republic?

We should do something and do it immediately to hearten afflicted Russia. On the Russian line of 1,000 miles there are only 6,000 ambulances fully equipped. Behind the lines in Russia are millions of refugees from Poland, Lithuania and Western Russia—driven from their homes by the German and Austrian armies, wandering from city to city, crowded into unfit habitations, huddled in stables, cellars and out-houses, and similar places.

## Poilus Wants T. R.

Few nobler tributes to gallantry have been paid than that contained in George Clemenceau's open letter to President Wilson, appearing in L'Homme Enchaîné, asking Mr. Wilson to send Roosevelt and his comrades to France. "Allow me to say," writes M. Clemenceau, "in all candor that at the present moment there is in France one name which enhances the beauty of American intervention. It is the name of Roosevelt, your predecessor, even your rival, but with whom there can now be no other rivalry than that of heartening success."

The writer of this letter declares that he met Roosevelt only once in his life; that the former President is an idealist, "imbued with simple, vital idealism. Hence his influence on a crowd; his prestige, to use the right expression. If the law has charged you, the President, with all the practical issues of the undertaking, it is no less true that Roosevelt represents a vast potential factor which no statesman is able to overlook. I only claim for Roosevelt what he claims for himself—the right to appear on the battlefield

surrounded by his comrades."

Clemenceau writes that the arrival of the first American unit on the French front was hailed with delight, but that many of poilus asked: "But where is Roosevelt? I don't see him" Roosevelt, Monsieur, is marking time waiting his country's call. Apparently he is the victim of the pettiest piece of political jealousy ever betrayed to the American people. His offer to lead troops having been turned down; he has been urging the country to purchase Liberty bonds. About the time that widow's weeds are to be seen on every street it may occur to the Administration that the services of every American, regardless of his politics, should be utilized, and then perhaps T. R. will get his opportunity.

Carranza announces that he is in complete accord with the United States on the war question. Steady, there—don't laugh.

## They All Do It

Despite the restrictions of war we imported from the Netherlands for the nine months of the current fiscal year, July 1, 1916, to March 31, 1917, \$27,000,000 worth of commodities, during the similar period, 1912-13, under peace conditions—war restrictions being nearly offset by our low duty tariff.

We imported from Sweden during the same period \$19,000,000 worth of commodities, compared with \$8,000,000 worth during the similar period 1912-13, under protective tariff, and during the 1916-17 period it was easier for a rich man to pass through the eye of a needle than for a vessel to get from Sweden to the United States, but our low tariff provided the incentive.

The idle rich will be anything but idle when they get to France.

A movement is on foot to pop-

ularize whale meat as an article of diet. Bully! We'll take a quarter.

Russia is busily engaged in wondering whether it is getting on or getting off.

When in doubt, kick the doubt aside and go ahead.

Idle rumors are frequently too indutrious.

## U-BOAT LOSSES INCREASE

(By United Press.)

## BEAN LEAF BEETLE CAUSING DAMAGE

Reports to State Entomologist Show Plants are Suffering—Should be Sprayed

## ARSENATE OF LEAD, REMEDY

(By United Press.)

Indianapolis, Ind., June 21.—Reports reaching the office of the state entomologist, Frank N. Wallace, declare that the bean leaf beetle is causing a great deal of damage in Indiana now. The insects eat large holes in the leaves of beans and other such plants. They are about one-fifth of an inch in length and are yellowish green with four dark spots on the wing covers. The larvae feed on the roots and main stem

of the plant, thus doing double damage.

"Arsenate of lead should be sprayed on all bean patches as soon as any damage is noticed to plants," Wallace said today. "One ounce of powdered arsenate of lead to two and one-half gallons of water sprayed on the plants will usually control this pest. If Bordeaux mixture is mixed with the arsenate of lead, better results are obtained and this will protect the plants from disease and kill any other insects feeding upon them."

## FOR RUSSIAN OFFENSIVE

(By United Press.)

Petrograd, June 22.—The Russian congress of workmen and soldiers have unanimously resolved upon an immediate Russian offensive. The unanimous vote indicated even the Petrograd council which has been strongly in favor of peace has been won over to the war side.

# What President Wilson Says

Persistent reports have been circulated throughout the Sixth District that Hon. Finly H. Gray, Democratic candidate for Congress, did not give President Wilson proper support during the last session of Congress. That he might learn the truth, Bent Wilson, a manufacturer of Cambridge City, wrote to the President a few days ago. Below is a reproduction of the letter to the President and the President's reply.

## READ BOTH LETTERS

Cambridge City, June 15, 1917.

THE WHITE HOUSE

Washington, June 19, 1917.

President Woodrow Wilson,  
Washington, D. C.

Dear Sir:—

Reports are being circulated in this district that the Democratic candidate for Congress, Hon. Finly H. Gray, did not give proper support during the past two years to your recommendations for preparedness and other war measures.

Will you kindly give me the facts in the matter.

Very truly yours,

BENT WILSON.

My Dear Mr. Wilson:—

I am very glad indeed to reply to your letter of June fifteenth that the Honorable Finly H. Gray throughout his membership in the House has given the present administration the most generous and cordial support. It would afford me the greatest gratification to see him return to the House of Representatives.

Cordially and sincerely yours,

WOODROW WILSON.

Mr. Bent Wilson,  
Standard Manufacturing Co.  
Cambridge City, Indiana.

## MR. VOTER

If you want to do a patriotic service in this time of war, vote next Tuesday to send to Congress from the Sixth District a man who will give the President "most generous and cordial support."

That man is Hon. Finly H. Gray, who has been tried and found true to the President. Why send some other man who has no record and about whom you know little or nothing? Send an experienced man who has made good.

It goes right to the spot and brings soothing relief. Makes muscles limber up—oils up the joints and makes you forget your trouble in no time. Nothing equals Speedway Liniment for relieving rheumatism, lumbago and such ailments. It penetrates—does just what is needed for living up the circulation and building up your system.

You can put it on full strength—rub it on right out of the bottle. It does not burn or blister—but it certainly does the business better than anything we ever knew of. Acts like a magic balm—never fails.

Speedway Liniment has brought relief to thousands of sufferers. Sold in 25c, 50c and \$1.00 bottles. Try a bottle and see how it relieves you. Money back if it does not.

Better get the large bottle and give it a good trial. Use it night and morning. If your case is bad, soak a little of the liniment into a flannel cloth and apply as a bandage. Leave it on over night.

Step in and ask for a bottle at Hargrove & Mullin and F. B. Johnson & Co.—(Adv.)

# COX URGES FINLY GRAY BE ELECTED

Indiana Congressman Speaks From Rear Seat of Automobile in Falmouth Thursday Night

## LOCAL DEMOCRATS ATTEND

Representative William E. Cox, of the Third Indiana District, speaking from the rear seat of an automobile, addressed a small crowd at a democratic meeting in Falmouth last night. A small delegation of local democrats attended the meeting. Finly Gray and County Chairman Cavitt were absent.

He urged the election of Finly Gray and said he was endorsed by the administration, particularly by Champ Clark. The Clark endorsement was made in a letter to a man in Cambridge City. The speaker declared that the president could best be upheld by naming a man of his own party to congress. He urged that a man of experience be sent to Washington. Representative Cox upheld Gray's record the six years he was in congress.

The democrats will close the campaign in Rush county with a meeting Saturday night in the assembly room of the court house. Representative Rainey of Illinois will address the meeting.

# TOMMY CAN SURE SLING THE SLANG

Americans Are Some Bears, But British Are Not so Worse When It Comes to This

## "EMMA-GEE" IS MACHINE GUN

A Bum Handout is a "Dud" Meal and A Gink With a Bone Head is a "Dud" Bo

By WILLIAM PHILIP SIMMS (U. S. Staff Correspondent.)

With the British Armies in the Field, June 10—(By Mail)—Americans think they are some bears when it comes to slinging slang, but the British Tommy isn't so worse himself when he sets his bean to working along slangological lines.

What is patter than "Emma-Gee" for a machine-gun, for instance? Or "O-Pip" for an observation post? One must admit that there's some class to these terms and while you've got your goggles on this column just take it from me, that there's more pep of the same mustardy standard where this came from.

A "whizz-bang" is a shell of such velocity that its whizz and its bang are almost simultaneous. A "dud" is a shell which fails to explode. A bum handout is a "dud" meal and a gink with a bone head is a "dud" bo. The tip you got on the filly that was backed off the boards by the other nags on the back stretch, was a "dud" and the piece of rope the candidate for re-election handed you was a "dud" smoke.

A trench-mortar is a "Joe-Emma" and the big black ball of high explosive the Germans reply with is a "plum-pudding." An anti-aircraft gun is an "Archibald" or an "Archie," while the German shell which bursts with a fuzzy yellow puff of smoke is a "wooly bear."

To the English Tommy a German is a "Fritz" and "Fritz" he is to the Canadians. The Scotch call him an "Allyman" (probably after the French "Allemand"), but he is nobody to the Irish but a Jerry. A British staff officer is a "brass-hat" perhaps because of the gold braid on his cap, and Tommy's own headgear, the steel helmet he must wear inside the shell area, is a "Tin hat."

Another name given the staff officers is the "lilies" supposedly on the theory that they toil not.

"Blighty" is England, and "going to Blighty" you can just bet your last specimen of spondulix, is a "little bit of all right." A "Blighty" is a small wound which invalids you home. A serious wound is not a "blighty" for the very simple reason that it puts a crimp in your traveling and gives you billets in a front sick-bay. If the wound is very bad, so bad that stimulants are necessary before you are operated, you will go to "Resurrection Ward."

"Ack-Emma" is morning. "Pip-Emma" is afternoon. And night is not infrequently called "Sawer" which is one way to pronounce the French word "soir." When a thing is all gone it's "na-poo" another assault and battery, with mayhem, on the Francais.

A group of mobile batteries, which turn the razzle-dazzle on Fritz or Jerry or Allyman, first at one part of the line then at another is called a "traveling circus." A battle, a raid, or any operation against the enemy of a similar nature, is a show. A "dud show" means that the stunt did not "come off"—in plain English the attackers pulled a lemon.

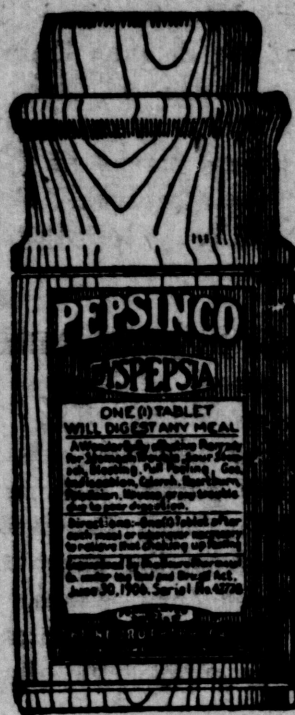

When Tommy says "Fritz got his wind up" he means he suffered an attack of frapped pedal extremities.

The guns of the largest calibre are "Grandpas." The next largest are "Grandmas." Of course "Daddy" is next and "Mother" next and "Uncle" "Auntie" and the "kids" follow down the scale plum to "Emma-Gee." The kids have all sorts of names: Willie, Harry, Sally, Mammie, Polly, Little Liz, and such, just as the gunners fancy happened to strike.

# JOHN NIPP Socialist Candidate for Congress Platform and Resolutions

To the voters of the Sixth Congressional District of the State of Indian.

Greetings:—

There will be an election held in the Sixth Congressional District to elect a congressman, successor to the Hon. D. W. Comstock, who recently died.

None but congress can raise a revenue to fight a war—and all bills that are made to raise a revenue to support the government must originate in the lower house of congress.

Therefore to elect a congressman is the most important duty that lies before the voters of the Sixth Congressional District at this particular time.

Public attention is now centered on what congress does and will do in the future. Both the old parties are in favor of war. And the eyes of the whole world are now turned toward the votes of this district.

Socialism is a relief from the oppression of tyranny and war. When a man becomes a socialist he becomes a civilized human and does not want to murder his fellowman. The cardinal principles of socialism are against the slaughter of the human family.

All candidates for congress on the socialist ticket are pledged to refer important measures that materially affect the welfare of his constituents for a referendum vote and no congressman can directly vote to plunge their country into a bloody war without calling an election in the district from where said congressman came and have the people hold an election and let the people who are the real power settle the matter by their votes.

This is pure democracy and is called a socialism. It is the only political party in this country that is willing to let a man who does the fighting in war and who also pays the taxes, say that his life is placed in his own hand.

Now as a result of the death of the late D. W. Comstock there is a vacancy in the Sixth Congressional District of the State of Indiana, and there will be some person elected to serve out the unexpired term and I would earnestly insist that all the people who are in favor of the referendum vote or who are opposed to a selective conscription to send our sons thousands of miles away to fight in foreign countries for an unknown cause, vote for Mr. John Nipp, who will faithfully perform his duty in the office and will inform his constituents of all the important transactions in congress and there is no secret diplomacy in socialism.

This will be the most important election that will ever be held in this district and we earnestly call on all classes of people, both democrats and republicans who are opposed to the war whose congressman has so willingly plunged our country into a bloody war with Europe to show their hand in this election and if our man is elected there will be a shock to the war jingoes that will be heard around the world. So let the Sixth Congressional District show its hand and fill the ballot boxes full of socialist votes.

There is no question in our minds but what our congress could have prevented this war. If the socialist ticket had been elected in full last fall there would have been no war with any foreign country. Then no congressman can sell out his constituents. There are now about 431 members of congress and under democratic and republican rule, none of these members are pledged to any specific duties and can sell their votes if they want to. The men who can ask our government to bond the people for \$7,000,000,000 could well afford to pay congressmen \$25,000 for a single congressional vote. When we look down at Evansville, Ind., and see where fraud was practiced at the ballot box and votes were bought and sold at from a drink of whisky to a \$5 bill and also at Terre Haute, Ind., where three years ago 125 men were sent to Leavenworth prison for frauds at the ballot box we can see it is not a safe plan to leave the question of war in the hands of any one man, when there is a chance for him to sell his vote.

Now we ask you to curb the power of this congressman for all time to vote for or against the question of war—or no war—then your lives will be in your own hands and not until then.

**PLATFORM**—Government ownership of railroads—coal mines—oil fields—public highways—in fact all large monopolies that require millions to operate and where the people are jointly interested.

The socialist party candidate pledges himself to vote and work for these principles if elected to congress.

Mrs. Dolph White was delightfully surprised with a pitch-in dinner Wednesday, given by her friends from her former home near New Salem. The table was tastefully arranged and was decorated with a large bowl of roses. Those who enjoyed the elegant two course dinner were: the Misses Enola Moorehead, Faye and Ruth Simpson, Beulah, Myldred and Helen Jinks, Grace Dewester and Vera Stone. After dinner the guests motored during the afternoon.

Mrs. James Smith entertained with a dinner at high noon, Wednesday at her home in Falmouth. Masses of roses and peonies were used to center the table and the guests included Mrs. Josephine Jeffry, Mrs. Edith McCrury and daughters Helen and Frances, Mrs. Helen Smith and daughter Lillian and son Ray, Mrs. Rena Hittle and Mrs. Emma Frye and daughter, Miss Mariam.

Mrs. Bert Davison proved to be a charming hostess, yesterday afternoon, when she entertained twenty members of the Emanon Embroidery club at the home of Mrs. Albert Winship in North Main street. Refreshments were served at the conclusion of the afternoon. Mrs. Albert Capp will be hostess to the club in two weeks.

Among the delightful affairs being given in honor of Miss Elizabeth Field of Owensboro, Ky., who is visiting Miss Ellendore Lampton, was a motor party last evening, given by Miss Carry Brown of Milroy. Aside from the guest of honor, the Misses June Lines, Emily Morgan, Ellendore Lampton and Clara Archey enjoyed the affair.

Miss Ellendore Lampton of Milroy entertained with a theater party, Wednesday evening in honor of her house guest, Miss Elizabeth Field of Owensboro, Ky. The guests motored to Greensburg and saw "Civilization."

Mrs. Earl Harton was the hostess

to the members of the Cross Country club and one guest, Mrs. Davis of Sheridan, yesterday at her country home west of this city. The delightful afternoon was spent over needlework and dainty refreshments were served.

Two tables of bridge were entertained by Mrs. Wilbur Stiers, yesterday afternoon. After the usual spirited rounds of cards, the hostess served light refreshments. The next meeting will be in two weeks with Miss Bertha Heim.

Mr. and Mrs. Guy Mulbarger were the host and hostess to a splendid course dinner today, when Mrs. Charles Jennings and son, Mrs. Jesse Vance and Miss Anna Vance, all of Newcastle were the guests.

Miss Mary Louise Miller entertained about twelve members of her Sunday school class, last evening at her home in North Jackson street. Dainty refreshments were served and then the guests were entertained with a theater party.

Mrs. Lowell Vickery entertained with a strawberry luncheon, yesterday afternoon at her home in Falmouth. The beautifully laid table was adorned with a large bowl of red roses. The guests included the Misses Doris Saxon, Lella Tinder and Sylvia Nelson.

### Amusements

Fatty Arbuckle in his latest comedy, "The Butcher Boy," will be the first picture at the Princess tonight. Arbuckle plays the title role and it is said to be one of the funniest pictures he has yet produced. In addition to this Lillian Walker will be seen in the drama, "The Dollar and the Law." Saturday, Bessie Love will be seen in the drama, "The Flower Girl."

The Lyric will show the feature picture, "The Fighting Gringo" for the program tonight. Harry Carey is featured. It is a story of the Mexican border and there is plenty of action. Carey as the hero makes the picture a masterpiece. Saturday Matt Moore and Jane Gail will be seen in "Pots and Poems."

### IMPORTANCE OF THE ELECTION IS SHOWN

Continued from Page 1.

tance of the election, it was pointed out today. With the loss of this district by the republicans congress will be democratic, but the election of Richard N. Elliott congress will again be republican.

It is not necessary to be registered to vote in this election. Since the last election many voters have changed their places of residence and are now hesitating about voting because they know they are not registered in the precinct in which he lives. They know only qualifications for this election is that the voter be of legal age, has resided in the state six months, the county sixty days and the precinct thirty days.

"There, never was a time in the history of the country," said one prominent republican today, "when the interests of the country demanded the return of a republican congressman from this district to Washington. The democrats have a candidate, who has twice voted against the president and if he is returned there, would probably quibble and squirm over the spending of money to prosecute this war successfully for all we know insist on using muzzle-loading guns and otherwise hamper the government."

The party organization is working hard but the actual result is up to the voters, it was pointed out.

### POLICE PUT AN END TO PICKETING

Orders Issued Against Militant Suffragists Carrying Banners or Standing Before Capitol

#### TWO WOMEN UNDER ARREST

(By United Press.)

Washington, June 22.—Police today put an end to suffrage picketing of the white house. Following two days of near rioting orders were issued against militants carrying banners or standing before the white house. A line of patrolmen and police women was stationed from the suffrage headquarters, a block away from the white house to the gates of the mansion.

Shortly after the order was issued police failed to dissuade peacefully Lucy Burns and Katherine Morey, militant leaders, from unfurling a banner before the white house, and arrested the women. At headquarters they were warned against further attempts and released.

Orders against picketing were issued following a conference of police officials and Alice Paul, leading suffragist. There were suggestions that her remarks were such as to startle the nation.

## PARTIES POLICIES IN PEACE, ISSUE

Senator James E. Watson Delivers  
First Speech of District  
Campaign at Shelbyville

PRaises G. O. P. CANDIDATE

Recalls Republican Party in Congress  
Has Supported the Administration War Measures

Shelbyville, Ind., June 22.—Senator James E. Watson opened the republican speaking campaign for Shelby county last night when he addressed a crowd at the city Opera House. He was accompanied by Richard N. Elliott, republican candidate for Congress from the Sixth District, who mingled with the crowd and met the republican leaders in Shelby county. Senator Watson began by saying "whether we want war, or like it we are in. It's too late to discuss whether we could have kept out by proper diplomacy, so the only safe and honorable way is the forward way. The republican party in congress has supported the administration war measures as far as they deemed such as wise and patriotic and conducive to the mobilization of the country's power. The Republican party will continue to stand by the country in its day of stress just as it has done in all history.

"Therefore, the real question in this congressional contest is as to the peace policies of the two parties, and the question for you voters is to decide whether you believe in the policies of the democrats or republicans as heretofore administered in time of peace. So far as international questions are concerned, we are all one, but that does not mean that in order to be patriotic we must abandon our views domestically. It is not necessary to abandon the republican party to be patriotic, but it is essential to adhere to republican policies if prosperity is to come to us in the readjustment after the war.

"The republican candidate, Mr. Elliott, is a man of fine fiber, intelligently and morally, fully qualified to represent the sentiment of the people in this district and to legislate for high interests and dear concern for the people of the entire nation."

Preceding the speech at the City Opera House, Senator Watson made a Red Cross address to the public from a platform in the Public Square, in which he praised the citizens of this county in being the first in the state to raise their full quota for the national organization.

One of the main points of this address was that the speaker assured his audience the Red Cross in this conflict is as essential as powder and bullets.

## ADDS ANOTHER CHAPTER TO CASE

William Fishbach and Ray Landess  
Go on Trial Charged With  
Murdering Roy Brown

CIRCUMSTANTIAL EVIDENCE

Indictment Returned Ten Months  
After Crime Committed—  
Politics Mixed in Case

(By United Press.)

Hartford City, Ind., June 22.—Another chapter in one of Indiana's most noted murder cases was started yesterday in Blackford Circuit court when William Fishbach and Ray Landess went on trial before Judge W. H. Eichhorn on the charge of murdering Roy E. Brown, a young grocer of Redkey, Ind. The case will be tried here on a change of venue from Jay county.

Brown was killed on the night of Jan. 29, 1916 and his body was found in a corn field two months later by a farmer. There were several bullet holes in the body, but investigation showed that these were made sometime after death. It was established beyond doubt that Brown's death was caused by strangulation. The grand jury indictment is in three counts. It charges that Brown met death by strangulation; that he was shot to death and that he met death by means unknown to the jurors.

It was ten months after the body was found that a grand jury was called to investigate the case. Politics, it was charged, kept the authorities from making a thorough investigation. The first grand jury returned no indictment, but in its report urged further investigation. A short time later another grand jury was called and Fishbach and Landess were indicted.

The opinion of authorities is that a gang, calling themselves the "Roughnecks" killed Brown. "Keg parties" were often given by the gang. It will be disclosed at the trial that the gang held one of these parties every night beginning the Tuesday of the week in which he was killed. By Saturday, it is charged, the crowd had exhausted its money. They lured Brown to a lunchroom, telling him that a girl wished to see him, officials declare and as he crossed railroad tracks on his way to the restaurant, he was attacked. The state believed that the gang only intended to rob Brown but he was strangled to death while they were trying to keep him from making an outcry.

## DETERMINES WHAT SOLDIERS NEED

Recreation Work in Indianapolis Is Placed on Common Sense Basis and is a Success

EVERY ONE CARD-INDEXED

All the Clubs of City Have a War Committee and They Keep in Touch With Conditions

(By United Press.)

Ft. Benjamin Harrison, Ind., June 22.—In order to furnish wholesome recreation for the soldiers in training, it must first be determined what sort of recreation they prefer—to connect up the ties of home, church and fraternity—it must be known what these ties were when they were broken for the man to become a soldier.

As a result every one of the men in training at Ft. Harrison has been card-indexed by the war recreation bureau under the direction of James Edward Rogers. The bureau knows every man's religions, his family connections, if he has friends in Indianapolis, what lodges he belongs to, what school he attended and in what fraternity he may hold membership.

Now in connection with these, men and women of Indianapolis have been organized to correspond to this. These organizations are given the names of their members, at the camp. Take John Smith as an example. He attended Ohio State university; holds membership in the Delta Upsilon fraternity, Elks lodge; is a Presbyterian; banker and member of the Rotary club.

After finding out all these things about John Smith, the war recreation bureau goes to the Ohio State university alumni association and tells them that John Smith, a fellow alumnus is at Ft. Harrison and is looking for entertainment on Saturday afternoons and Sundays. They tell the Elks, the Rotary club and the Indianapolis Bankers association the same thing. A Presbyterian pastor is given Smith's name and asked to look out for his religious welfare. The chances are, with these connections, Smith isn't going to have much time to loaf around dives and saloons—even if he wished to do so.

But that isn't all. While being entertained at one of the clubs, or on meeting some of the members, Smith is invited out to a home. The mother, who will probably be a member of the Women's Federation of Clubs, is acquainted with the work being done by the war recreation council. After Smith leaves, she sits down and writes his mother a letter. She tells her that John's appetite is good; that his socks don't need darning and that he's getting fat. And when John's sister Susie got tired of sewing socks for soldiers and boards the train to visit her soldier brother, she is met at the train by a mother and asked to stay at her home during the time she is visiting with John. She does not have to risk the dangers of a new city alone.

Every club in Indianapolis has a war committee. They keep open house every Saturday and Sunday. Special entertainments are provided. Through the war recreation bureau, every man at the fort is going to be given an auto ride throughout the city. Owners of cars, offer their services free. Last Saturday, 500 Kentucky boys saw the sights of Marion county. Next Saturday, 500 more will go and so on until all have had the benefit of a ride.

## MANY GIRLS ARE MISSING

New York, June 21.—Police Commissioner Woods announced today between 700 and 800 girls had been reported missing from New York homes since January 1.

Hartford City—The Red Cross membership of Hartford City is nearing 1,000 as a result of a strenuous campaign.

## STORY SHOWN TO BE A FALSEHOOD

Senator W. Johnson of California Wires R. N. Elliott, Thus Settling at Rest Campaign Tale

SORRY HE CAN'T SPEAK HERE

A story spread throughout the district by the democratic press that the reason Senator Hiram Johnson of California would not speak at Richmond tomorrow night in behalf of Richard N. Elliott, the republican candidate for congress, was because he had investigated Elliott's record and found he had always been a republican, was shown to be mere political "claptrap" by Senator Johnson himself, who has sent Mr. Elliott the following telegram:

"It is with profound regret that I find myself unable to go to Richmond as has been suggested. On the fifth day of June in writing I notified Senator Watson that I could not and asked him therefore to make no such engagement. Had it been possible I should have been very glad to be a part of your campaign, to have added my little to the testimony in your behalf and to have expressed to the people of your district my opinion that they could render no better service to their state and their nation at this time than by your election. I send you my best wishes for success.

HIRAM W. JOHNSON."

## A SAFE TEST

For those who are in need of a backache, it is a good plan to try Doan's Kidney Pills. They are strongly recommended by Rushville people.

Mrs. Lizzie Boren, 840 W. 9th St., Rushville says, "About six years ago I began to have trouble with my kidneys. The kidney secretions were very annoying in passage and the trouble kept getting worse. Doctors said it was gravel but none of them ever did me any good. A short time ago I heard of how someone else was cured by Doan's Kidney Pills, so I got a box at Wolcott's Drug Store. They helped me and I kept on using them. I have taken four boxes so far and the pain has left and I feel a great deal better."

Price 50c, at all dealers. Don't simply ask for a kidney remedy—get Doan's Kidney Pills—the same that Mrs. Boren had. Foster-Milburn Co., Props., Buffalo, N. Y. (Adv.)

The prices on buggies are advancing every day and there is no way to stop it. The only remedy is to buy where they have a supply that was purchased before any advance was placed on them. I have the buggies and the price is the same as it was the first of the year. Do you want to save some money on a buggy? If you do, see me. Then again I want you to listen—I have two cars of storm buggies bought. One car will be in about July 1st, and they are the well and favorably known, Zimmerman line, the one line of buggies that no dealer can tell you is not the best to be had. The Zimmerman buggy is the best built buggy and has been for years, and is well known in Rush County, and every man that ever owned a Zimmerman buggy will tell you they give satisfaction. The price I am able to quote you on these storm buggies will interest you, but don't wait until these are sold before you investigate the proposition. ## If Clean Hands Count— Then Reo the Fifth

IT TAKES ALL THE FUN out of a motoring trip when you have to fuss with a motor or transmission or an ignition system.

SOILED HANDS, soiled clothes, a ruffled temper—and you wish you hadn't gone.

REO OWNERS NEVER are seen tinkering with their cars on the road. Not even with tires. For Reos are made better—tired more liberally to ensure you against just that.

REOS are accessible to the last degree.

BUT ALSO THEY ARE so well and so carefully made you might own a Reo the Fifth for years without ever discovering that quality unless you read it in an ad.

FOR ALMOST NEVER do you need to get at a Reo part.

BUT IF YOU SHOULD ever need to make an adjustment or replace a part, you'll find you can do so with ease and expedition.

THE REO IDEA from the first was to make the most dependable automobile in the world.

THAT COULD BE DONE only by using the best of materials everywhere, and then making and assembling them with the utmost accuracy.

ASK ANY REO OWNER how long it is since he lifted the hood of his Reo—how often he has seen the inside since he owned his car.

HIS ANSWER will decide that question for you.

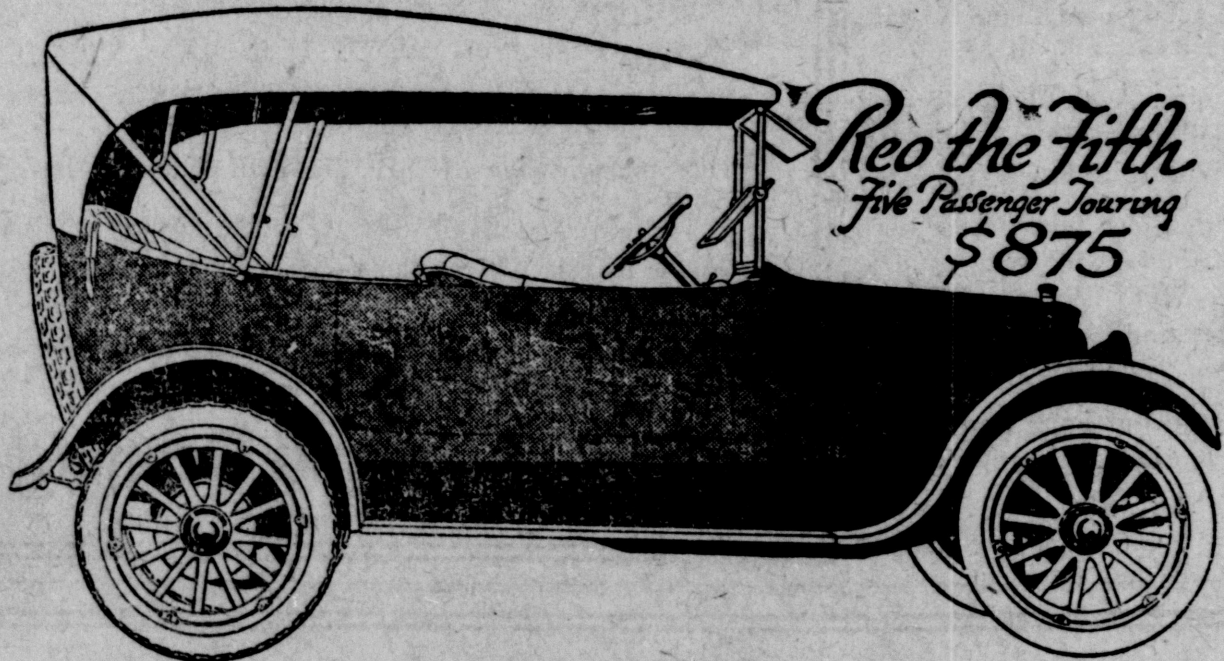

THE LOW UPKEEP cost of Reos—and Reo cars and trucks are famous for their low cost of upkeep as well as of operation—is due to the fact that they are made right in the first place and then to the ease with which any adjustment or replacement can be made.

ASK REO OWNERS ALSO about dependability and gasoline economy.

THEN HURRY and place your order—for there won't be—can't be—enough Reos to go 'round.

## MORE FARM LAND IS CULTIVATED

Statistics Show State Has 500,000  
More Acres Producing Than Last  
Year

340,000 PERSONS FARMING

(By United Press.)

Indianapolis, Ind., June 22.—Indiana has more farm land than ever before under cultivation this year in her campaign to increase the food production of the country, reports by H. A. Roberts, state statistician showed today.

The total acreage of farm land in the state is 21,660,186 acres of which 16,931,252 is "improved." This is an increase of nearly 500,000 acres over last year.

There are 220,297 separate farms in the state, the statistician's report shows. The value of farm land is placed at \$1,328,196,545 and the value of buildings, machinery, livestock, implements and other improvements is placed at \$1,809,135,238.

There are 340,000 persons in the state engaged in agricultural pursuits, the report states. The rural population of the state, including cities under 2,500 population, is \$1,554,481.

Christie Says Housekeepers Are Co-

Food Conservation

### CLASSIFICATION OF FOODS

Urgs Against Loading Table Down  
With Several Kinds of Food of  
the Same Class

(By United Press.)

Indianapolis, Ind., June 22.—Indiana housekeepers are making every effort to co-operate with the federal and state governments in food conservation and beneficial results are already noticeable, according to a statement issued by G. I. Christie, state food director today.

"Instead of loading the table with several kinds of food of the same class, the careful cook is finding that by alternating the foods prepared for different meals, but at the same time providing one sort from each of the necessary groups, the menu is being made more pleasing and economical," says the statement.

A simple classification of foods that can be readily applied to planning meals was given out by the food department, as follows:

Proteins—Peas, beans, cheese, meat, fish, milk and the like.

Starches—Bread, hominy, rice, macaroni, potatoes, cereals.

Sugars—Sugar, preserves, jelly, candy, honey.

Fats—Butter, cream lard, bacon.

Fruits and vegetables—Berries, dried and fresh fruits, green peas, green beans, cabbage, tomatoes and lettuce.

"Some food from each group should be included in every meal," the report states. "More than two foods of any one class will make the meal expensive and will reduce the chance of giving something new at the next meal.

"Proteins are expensive and care should be exercised in their purchase. Peas and beans are the cheapest proteins and should replace to a considerable extent meat and eggs. Meat must be eaten in moderation if costs are to be kept down: Cottage cheese and milk, on the farm, are excellent sources of protein.

"Bread and potatoes in the past have been the staple American foods and the starch group should still make up the bulk of every meal. Even with wheat at \$3 a bushel, bread is still one of our cheapest foods.

"Potatoes are an extremely high costing food and to find suitable substitutes for them is still a difficult problem. Rice, hominy and fried mush are good substitutes and much cheaper. All can be made palatable.

"Sugars and fats are expensive and should be eaten sparingly.

"Fruits and green vegetables are essential to health. Vegetables such as beans and peas are cheap or can easily be raised in gardens.

Rome, June 22.—"Peace without victory of civilization and without complete national freedom is impossible; it would be merely the forerunner of a new and more inhuman war," was the keynote of Italy's war and peace aims as explained by Premier Boselli.

The announcement created a favorable impression.

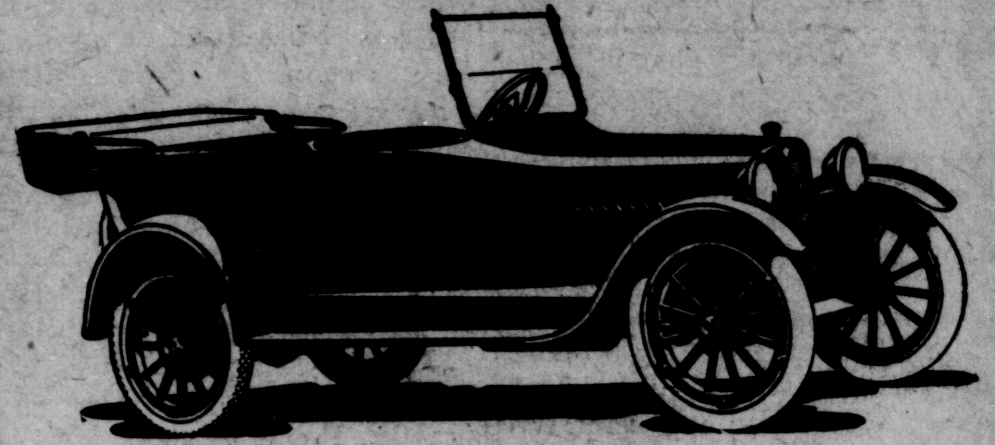

Boselli referred to America's intervention, praising President Wilson's statement and speeches. He declared America's every act since entering the war had been to create a good moral lesson and had great

## The Line-Up

It was impossible to get a complete list of the Rushville township subscriptions today until the list could be checked up. However, the line-up was something like this when the smoke cleared away:

One contribution of \$200.  
Eight of \$100.  
Twenty-six of \$50.  
One of \$30.  
Thirty-nine of \$25.  
Eleven of \$20.

Eight of \$4.  
Fourteen of \$2.  
Three of \$3.  
Fifteen of \$1.

A little band of people not much more than four hundred strong gathered at the Coliseum last night for the Rushville township Red Cross mass meeting. The gloom was so thick it could be cut with a knife about eight o'clock when not over two score people had ventured inside the Coliseum door. Soon the Odd Fellows band, leading barely a "handful" of men who were marching and a half dozen automobiles, drew up to the place and then the less venturesome who had been standing on the outside gathered around closer.

Some folks whispered behind their hands that it would be wise to call off the meeting until a later date and not make it a fiasco. They thought about Milroy's fund which was nearing \$4,000 and Carthage's contributions, which were known to be past \$2,000.

But E. B. Thomas and Judge Will M. Sparks, who had the thing in charge, thought differently. They knew with what success the canvassers had been meeting and they knew that Rushville would not shirk its duty in the crisis.

It was a determined little band of people. When \$100 subscriptions were called out like men refer to fifty cent pieces and \$50 contributions were reeled off with startling regularity, the crowd was put on its mettle. Before they finished with the \$100 subscriptions, one thousand dollars, counting \$200 from the Chas. E. Francis company, had been accumulated. Thus the contributions came, denominations as low as a dollar being received, until the magnificent sum of \$4,516.50 had been accumulated. This put Rush county ahead of her allotment.

That meeting was one that will

## OSBORN AND MANILLA NEXT

## BULLETIN.

A report at three o'clock this afternoon reaching the Red Cross here said Orange township had raised her subscriptions to \$800, which makes a grand total of \$13,163.50.

Reports from six districts in the county this afternoon showed \$12,884.25 raised for the Rush county Red Cross War Relief fund. The allotment for the county is \$10,500, showing that the fund is \$2,384.25 oversubscribed.

This remarkable showing is due to the activity of canvassers in Milroy, Carthage, Rushville, the east half of Walker township, the Plum Creek district of Union township and one-fourth of the territory in Orange township.

Before the time for the campaign ends, it would not be surprising if the Rush county allotment were doubled. By Sunday night meetings in the interest of war relief will have been held in every township except Richland, and it is not likely such a gathering will be held there.

There will be a meeting at Manilla tonight for the west half of Walker township, at which Judge Sparks will speak. The Jackson township meeting will be held tonight at Osborn school and E. B. Thomas will speak. Sunday afternoon a meeting will be held at Raleigh and the speakers will be Judge Sparks, the Rev. Father Lyons and Dr. J. C. Sexton. On Sunday evening at 6:30 o'clock a meeting will be held at Center church and E. B. Thomas and one or two others will speak.

Another \$100 donation to the Rushville fund was obtained this morning, bringing the approximate total hereto \$4,616.50. The last report from Milroy showed \$3,870 from Anderson township and the latest report from Carthage was \$2,300 donated in Ripley township. Plum Creek has already reported \$190 raised at the meeting Wednesday night.

No Meeting Sunday Night  
To correct a story that is going around, Chairman E. B. Thomas announced that there would be no Red Cross mass meeting here Sunday night. There was some talk of such a meeting, but since the campaign has met with such success, the plan has been abandoned.

Dance in charge of Uniform Rank, Knights of Pythias.

All booths and home talent show will be open at night as usual.

A large crowd of people attended the opening of the Red Cross fair at the Knights of Pythias building last night, which predicts a successful three days.

The booths, dance and penny supper were liberally patronized all evening. Conservative estimates were that at least \$150 was made for the Red Cross on the first night alone.

A crowd of 180 persons attended the only performance of the home talent show. Those who were there say it was the biggest dime's worth they ever received. Jess Pugh and many young people who have had prominent parts in home talent affairs assisted. A changed program will be offered tonight and it is likely that more than one show will be given. It was after eleven o'clock before the lights in the booths were switched off for the night.

The penny supper given by the W. R. C. and the Ladies Aid societies of the M. E. and Baptist churches was pronounced the best ever served here. The menu was so large and varied that no one had any trouble supplying their wants. Over one hundred dollars was taken in at the penny supper alone. The idea of having housewives leave a potato on their doorsteps and Boy Scouts collecting them, proved a happy scheme to get this high-priced article. Those in charge last night had plenty and some to spare for the next night. A light lunch will be served tonight by the Psi Iota Xi sorority.

The first stand—soft drinks—was in charge of the Tri Kappa sorority and about \$13 was cleared for the fund. The next was a flag stand presided over by the Immaculate Sodality of the Catholic church. Red Cross flags made by the girls in the organization sold fast at 25 cents each and \$22 was taken in. The Pythian Sisters were in charge of the ice cream booth and Mahon

## SPENDS SHORT TIME HERE

Senator Watson Will Address Soldiers at Ft. Harrison at 5 P. M.

Senator James E. Watson, who is in the district campaigning for Richard N. Elliott, spent a few hours here today between trains. He came up from Shelbyville where he spoke and went to Indianapolis this afternoon at three to address the candidates at the officers training camp at Fort Benjamin Harrison at five o'clock this evening. Senator Watson will make a campaign speech in Greenfield tonight and another in Connersville tomorrow night.

## SUDDEN TWIST ON WHEEL DITCHES AUTO

William Myers, Sr., and Family of Lawrenceburg in Accident Mile North of Mays

## DAUGHTER IS BADLY HURT

Taking hold of the steering wheel while his son, William Myers, Jr., adjusted some of his clothing, William Myers, Sr., of Lawrenceburg, gave the wheel a sudden twist and threw the automobile into the ditch, resulting in severe injury to his daughter, Miss Emma Myers. Another daughter, Elizabeth was not injured except for a cut on the elbow. The accident occurred Thursday afternoon at four o'clock, one mile north of Mays.

The palm of the girl's hand was saved on a strand of barbed wire and a severe hemorrhage resulted, requiring four stitches to close the wound. Mr. Myers and son escaped with minor injuries. Dr. W. A. Lord was called from Mays. The girl's hand was badly cut and the wound will probably be difficult to heal. The family was enroute from Lawrenceburg to Middletown for a visit.

## HAS ADMENDMENT TO FOOD MEASURE

Senator Borah Would Authorize Federal Trade Commission to Fix Prices of Necessities

## ARTICLES IT APPLIES TO

(By United Press.)

Washington, June 22.—A sweeping measure authorizing the federal trade commission upon direction of the president, to fix prices on necessities, was introduced in the senate today by Senator Borah as an amendment to the food control bill. He would have the price fixing applied to steel, coal, oil, farm implements, meats, bread, flour and such articles of clothing commonly worn by wage earners and farm laborers.

Confident of early passage of food legislation, Herbert C. Hoover today is shaping into form the great distributing machinery of the country.

Patriotic appeals for volunteer agreement to keep this machinery in proper operation until the Lever bill passes is being made to producers, middlemen and consumers.

Grain exchange officials will meet here tomorrow when the department of agriculture will urge that paying continue as usual. House and senate debate on the bill continued today, Reed holding the floor nearly all day in the senate.

Mrs. Emory Schmidt and children arrived today after an extended visit in Kankakee, Ill.

## WOMEN REGISTER FAST HERE TODAY

Demonstrate That They Will Vote in Special Election and Take Interest in Politics

## SIX WAITING FOR OPENING

To Mrs. George W. Thomas of North Perkins Street Falls Honor of Being First to Register

That the women of Rush county are going to vote at the special election in September to name delegates to the constitutional convention and also take an active part in future politics here was evidenced this morning at the opening session of the county registration board.

Before the board opened for business six women were waiting to register and so great became the crowd before the board was prepared to handle the rush that many of the women were requested to return this afternoon at which time the board would be better prepared to take care of them.

To Mrs. George W. Thomas of North Perkins street fell the honor of being the first woman to register. Mrs. Thomas and her husband were there early and not to be outdone by his wife, Mr. Thomas was the first man to register.

Mrs. C. L. Bebout, wife of Mayor Bebout, Mrs. A. L. Aldridge and Mrs. John McKee, of near Orange, were among the early callers to register. So far the women have not objected to giving their age. One woman put it this way: "If we are anxious enough to vote why should we hesitate about giving our ages. It is no disgrace," and the women registering today evidently felt the same way.

Judge Sparks and A. L. Gary were among the first to register. It was believed before the day was over approximately 100 would have registered.

The registrars have plenty to do and anyone thinking the job "soft" would do well to watch the two clerks work awhile. The voter fills in and signs his application and then the clerks copy the name in two permanent record books and then make two copies of the registration blank for the chairmen of the two political parties. In addition to this they are kept busy between times answering questions, many of the foolish sort, and referring to a precinct map to tell some person in which precinct he or she belongs. This was just one day of the work. The board has 59 more days, excluding Sundays.

## WAR FUND TO BE EXCEEDED

Indications Are That it Would Pass \$75,000,000 Mark Today

(By United Press.)

Washington, June 22.—The \$100,000,000 mark originally fixed in the national Red Cross campaign will be greatly exceeded by Monday night if the present rate of returns continues. The \$75,000,000 mark will probably be passed today.

## IMPORTANCE OF ELECTION SHOWN

State Chairman Will H. Hays Wires Fon Riggs, Showing Eyes of Entire Party is on District

## "GET OUT VOTE" IS SLOGAN

Not Necessary for Voters to Register, Only Qualification Being to Live in Precinct 30 Days

There is nothing which can be said which will overstate the importance of the election Tuesday. I know you are doing everything possible but please do it twice. Don't let it drop a minute. Really the eyes of the entire party in the country are upon us and if we lose congress is democratic. Redouble efforts sure.

WILL H. HAYS.

State Chairman.

The above telegram from state chairman Will H. Hays to Fon Riggs, expresses the importance of the special election next Tuesday when a representative will be elected to congress to fill the vacancy caused by the death of D. W. Constock. From now to the end of the campaign the republican cry will be "Get Out the Vote!"

Chairman Riggs pointed out today that it was imperative that the republicans of Rush county go to the polls next Tuesday and exercise their right of franchise. Efforts towards getting out the full party strength is now on and will continue until the polls close Tuesday. Despite the work the party leaders face, they can not do it all and the voters are urged not to underestimate the importance of the special election.

The telegram from the state chairman states precisely the importance of the election.

## SENATOR HARDING HERE FOR SPEECH

Republicans Confidently Expect Crowd to Hear One of Foremost Men in the Nation

## PARADE WILL FORM AT 7:45

Senator Warren G. Harding of Marion, Ohio, arrived this afternoon from Indianapolis to address the only republican meeting in Rushville of the brief congressional campaign. He will speak at the Coliseum tonight at eight o'clock and the meeting will be preceded by a parade at 7:45 o'clock directly after the Connersville delegation, headed by a band, arrives here. John A. Tittsworth went to Indianapolis and met Senator Harding and will entertain him while here.

The rule has been that the crowds have been large at all of the republican meetings over the district, and it is confidently believed tonight will be no exception. Senator Watson spoke to a crowd of 1,200 at Shelbyville last night and Senator Jones had 1,100 at Connersville on Tuesday night.

Senator Harding is one of the foremost republicans in the United States. He presided at the republican national convention in 1916 and took a very prominent part in the proceedings. Senator Harding is a splendid orator and has been mentioned as a possible candidate for the presidency in 1920. He was lieutenant-governor of Ohio before being elected to the United States senate.

## GERMANY SHOWN SUBMARINE MAD

Men and Women Pictured as Being Steadfast in Their Belief U-boats Will Win War.

### LETTER GIVES VIEWPOINT

(By United Press.)  
Copenhagen, June 22.—All Germany is submarine mad. Men and women with their faces drawn by lack of adequate food, are steadfast in their belief that thousands of under-water craft, which the public is now led to believe Germany has, will win for the kaiser.

This is the picture of Germany from the Germany viewpoint printed in a letter received here today by a Danish resident, with close friends in high official positions in Berlin. Despite all difficulties of food supply the writer said the German public held complete confidence in the U-boat.

### BRAZIL NOTES PUBLIC

## TOTAL REGISTRATION IN U. S. IS 9,649,938

Provost Marshal General Crowder Considers the Returns Practically 100% Registration.

### FIGURES ARE BEING ANALYZED

(By United Press.)  
Washington, June 22.—Totals for registration for conscription were today turned over to the census bureau for a close analysis to determine why certain western states showed a registration of only about 50 per cent of the estimate while other states were far over their quota.

The grand total for registration was 9,649,938.  
Provost Marshal General Crowder considered the returns practically a 100 per cent registration. With the additional of the eligibles in the army and navy who were not required to register the total will be brought to well over the 10,200,000 estimate of the census bureau.

## CREW BELIEVES SHOTS HIT MARK

American Armed Freighter Norlina Reports Firing Nineteen Shots at German Submarine.

### SUBSTRUCTURE IS WRECKED

(By United Press.)  
Baltimore, Md., June 22.—One or more of nineteen shots which the gun crew of the American armed freighter Norlina fired at a submarine when three days out of Liverpool on her voyage to America are believed by the crew to have reached their mark. The Norlina reached an American port today. Capt. Foster said he believed the U-boat was sunk.

Capt. Foster said the substructure of the submarine was wrecked by some of the shots and he was convinced the submersible went to the bottom.

## EUROPE'S BROKEN HEART SPEAKS OUT

Washington, June 22.—Belgium, the broken heart of Europe, spoke its sorrow in the chamber of the senate today before a great throng in the galleries and on the floor, when Baron Moncher, chief of the Belgium mission to this country told of his country's misfortune.

"It is only my desire to express the gratitude of the whole of Belgium feels towards the American people and government," he said.  
"The hour will come, hastened by the powerful arm of the United States, when Belgium, restored to full power, will be able to thank all those who have aided her."

### MUST TASTE GOOD.

(National Crop Improvement Service.)  
A dairy ration must, of all things, be palatable so that a cow will eat it. It must be bulky and coarse so as to avoid indigestion and sickness. It must contain a variety of foods so that the cow will not tire of it or get off her feed. It must contain enough real protein—all protein is not alike. It must contain the right amounts and kinds of mineral substances necessary to life, health and milk secretion. It must be highly digestible. Many feeds are only about fifty to sixty per cent digestible and the work of excreting so much waste matter is costly in that it uses up the energy of the food to do it.

### SUCCESSFUL FEEDING.

(National Crop Improvement Service.)  
It is most significant and probably the best argument for mixed feeds when it is considered that a large number of the most prominent and skilled men in America have discarded their own mixed feeds and rations because they have found a satisfactory brand of feed which will make as much milk at less cost and no trouble and, above all, keeps cows in perfect health.

Many agricultural schools and experiment stations use and have used them for the same reason.

You can verify this by writing to any experiment station and they will give you the names of mixed brands which are best adapted to your purpose.

### FIVE POUNDS OF MILK ON ONE POUND OF GRAIN.

(National Crop Improvement Service.)  
C. H. Packard, of Delavan, Wisconsin, a progressive and practical dairyman, was not satisfied with his ration of home-grown feed. Although he mixed his ration with brains and it seemed to be theoretically correct, he thought he would try out his own mixture in comparison with a first class dairy feed. Much to his surprise he found that he could save about five lbs. of grain per cow per day and nearly 5 cents per cow. He figured his own grain at prices much below the wholesale market and bought his mixed feed at retail.

MRS. MARY E. REED DIES AT GLENWOOD

Widow of Late John Reed Expires at Age of 75 Years Following Illness of Two Years

FUNERAL SUNDAY AT 2 P. M.

Mrs. Mary E. Reed, 75 years old, widow of the late John Reed, died Thursday afternoon at three o'clock at Glenwood following an illness of two years from a complication of diseases. She would have been 76 years old July 10, having been born in 1841. Her last illness was of two weeks duration. She was a daughter of Mr. and Mrs. Casper Shrimp and was born in Cincinnati, Ohio. Mrs. Reed was the eldest of twelve children. She was married January 15, 1863. Mr. Reed died in 1880.

She is survived by two daughters, Mrs. William Combs and Mrs. William Baker and two sons, Charles L. Reed and Thomas Reed. She also leaves three sisters, Mrs. Kate Clawson of Connersville, Mrs. Frances Anthony of Los Angeles, Cal., and Mrs. Emma Woods of Indianapolis and one brother, George W. Shrimp of Riverside, Cal., and also three grandchildren. Mrs. Reed had been a member of the Baptist church since early in life, and in recent years of the Methodist church.

The funeral services will be conducted Sunday afternoon at two o'clock at the late residence and burial will take place in the Glenwood cemetery.

RESOLUTIONS ON MRS. GREEN'S DEATH

Adopted by Women's Presbyterial Missionary Society at Session Held at Glenwood

WAS MANY YEARS A MEMBER

The Women's Presbyterial Missionary society of the Indiana Presbyterial, United Presbyterian church, adopted resolutions on the death of Mrs. Elizabeth A. Green, who died at Stanford, Cal., and was buried at Knightstown yesterday, at the annual convention which closed in Glenwood yesterday afternoon. The resolutions follow:

Mrs. Elizabeth A. Green was for many years a faithful and honored member of the Indiana Presbyterial Missionary Society. She was a woman of unusual grace and dignity, broad in thought, and kind in regard to the opinions of others. Without effort she placed a high standard for the home life and the Church life, because they both came from the same source, viz., The life hid with Christ in God.

To her, life was a pleasure because it was full of duty. Her life here was crowned with many years and worthy deeds. Now, we think of her as crowned with glory and honor at the right hand of God.

Resolved:—First, That we express our thanks to God for one so noble and true as Mrs. Green.

Second, That we extend our sympathy to the members of her family.

Third, That this paper be recorded in the Minutes.

AN APPRECIATION

It was announced last night that a ladies auxiliary of Carthage—the name was not given—had sent five dollars to Rushville to be added to the Rushville township war relief fund as an appreciation of what the leaders in the Red Cross movement here had done for the Carthage auxiliary.

The announcement was greeted with long applause.

RUSHVILLE SENDS RELIEF FUND OVER ALLOTMENT

Continued from Page 1.

long be remembered in Rushville. Disappointed and discouraged at the attendance, but with the courage of their convictions that Rushville never was and had not just turned "slacker," the leaders of the Red Cross determined to make it.

The subscriptions last night put Rush county out in front. Counting Milroy's Carthage's and Rushville's contributions last night, it was assured that the county's allotment of \$10,500 had been passed. It was reported during the meeting that word had come from Carthage that the fund there had gone to \$2,300 by nightfall. Carthage is Judge Spark's home town and he proudly announced this fact from the platform and he and his home town was applauded.

But E. B. Thomas, although he is not given to the pastime, had a "card up his sleeve," it was plain by the way he "beamed," when he arose after Judge Sparks and said that he, too, had been receiving telephone messages. Milroy, which is the place where Mr. Thomas first saw the light of day, had "come again" and had passed \$3,800. Mr. Thomas announced. There has been a good deal of rivalry between Milroy and Carthage and Judge Sparks and Mr. Thomas have been having some fun on that account upholding the honor of the "home town."

The sums reported from Milroy, Carthage and Rushville last night brought the grand total of \$10,616.50 and the Red Cross workers were much more encouraged when they left the Coliseum about eleven o'clock than they were when they entered at eight. The sum of \$190 was reported from Plum Creek night before last which makes the county safely out in front.

But there are eight other townships from which no reports at all have been received and more is expected from all of those which already reported. Little doubt is expressed but that Rushville township will raise close to \$6,000 by individual subscriptions. Some of the team canvassers were not present last night. It is believed that they

tend the Post Graduate Medical college for three weeks while there.

—Ernest Mitchell of Newcastle is spending a few days with relatives in this city.

—Lafayette Peek of near Milroy transacted business here today.

—Miss Ida Dixon has returned from a few days visit in Carthage.

—William Arbuckle of Homer attended to business here today.

—Lawrence Root of Piqua, O., is the week-end guest of relatives in this city.

—W. J. Anderson of Cincinnati was a business visitor here today.

—C. E. Pittman of Indianapolis was among the business visitors here today.

—Mrs. Sherman Oneal and daughters, Leah and Mildred motored to Indianapolis today and spent the day.

#### The Needs of France

After the Red Cross, which is this week raising \$100,000,000 for relief during the war, cares for its home needs, it will quite naturally turn to France, for it is not only there that our boys will see service; the needs of France can not but stir the heart of every American. Tuberculosis has become prevalent as a result of this trench war. And the disease is spreading. Here is the call not only to aid the brave and liberty-loving French people, but also to help make this afflicted country healthy for our own sons and brothers who are soon to be there in such great numbers.

Some 1500 towns and villages have been destroyed in France. In her devastated regions, men, women and children are homeless and suffering for the barest necessities of life. We ought at the earliest moment to provide these people with the simplest essentials to begin life anew. They need clothing, agricultural implements, domestic animals, especially horses and cows, seeds fertilizers, tools, bedding, stoves and the elementary materials with which to cover themselves by day and night. Some idea can be involved in such an undertaking with the knowledge that Mr. Hoover, through his magnificent organization, has advanced for Governments and from private subscriptions \$350,000,000 for the relief in Belgium. If there were no thought of protection and provisions for our own people in France, can we hesitate to provide generously from our plenty that we may show some appreciation of our everlasting debt to the people of our sister republic?

We should do something and do it immediately to hearten afflicted Russia. On the Russian line of 1,000 miles there are only 6,000 ambulances fully equipped. Behind the lines in Russia are millions of refugees from Poland, Lithuania and Western Russia—driven from their homes by the German and Austrian armies, wandering from city to city, crowded into unfit habitations, huddled in stables, cellars and out-houses, and similar places.

#### Pollus Wants T. R.

Few nobler tributes to gallantry have been paid than that contained in George Clemenceau's open letter to President Wilson, appearing in L'Homme Enchaîné, asking Mr. Wilson to send Roosevelt and his comrades to France. "Allow me to say," writes M. Clemenceau, "in all candor that at the present moment there is in France one name which enhances the beauty of American intervention. It is the name of Roosevelt, your predecessor, even your rival, but with whom there can now be no other rivalry than that of heartening success."

The writer of this letter declares that he met Roosevelt only once in his life: that the former President is an idealist, "imbued with simple, vital idealism. Hence his influence on a crowd: his prestige, to use the right expression. If the law has charged you, the President, with all the practical issues of the undertaking, it is no less true that Roosevelt represents a vast potential factor which no statesman is able to overlook. I only claim for Roosevelt what he claims for himself—the right to appear on the battlefield

surrounded by his comrades."

Clemenceau writes that the arrival of the first American unit on the French front was hailed with delight, but that many of pollus asked: "But where is Roosevelt? I don't see him?" Roosevelt, Monsieur, is marking time waiting his country's call. Apparently he is the victim of the pettiest piece of political jealousy ever betrayed to the American people. His offer to lead troops having been turned down; he has been urging the country to purchase Liberty bonds. About the time that widow's weeds are to be seen on every street it may occur to the Administration that the services of every American, regardless of his politics, should be utilized, and then perhaps T. R. will get his opportunity.

Carranza announces that he is in complete accord with the United States on the war question. Steady there—don't laugh.

#### They All Do It

Despite the restrictions of war we imported from the Netherlands for the nine months of the current fiscal year, July 1, 1916, to March 31, 1917, \$27,000,000 worth of commodities, during the similar period, 1912-13, under peace conditions—war restrictions being nearly offset by our low duty tariff.

We imported from Sweden during the same period \$19,000,000 worth of commodities, compared with \$8,000,000 worth during the similar period 1912-13, under protective tariff, and during the 1916-17 period it was easier for a rich man to pass through the eye of a needle than for a vessel to get from Sweden to the United States, but our low tariff provided the incentive.

The idle rich will be anything but idle when they get to France.

A movement is on foot to stop

ularize whale meat as an article of diet. Bully! We'll take a quarter.

Russia is busily engaged in wondering whether it is getting on or getting off.

When in doubt, kick the doubt aside and go ahead.

#### U-BOAT LOSSES INCREASE

(By United Press.)  
London, June 20.—Losses by German submarines are on the increase. An authoritative prediction, this afternoon of the showing in an official loss statement to be made tonight, was that the number of British ships during the last seven days will considerably exceed the number destroyed in the submarine zone in the previous week.

#### BEAN LEAF BEETLE CAUSING DAMAGE

Reports to State Entomologist Show Plants are Suffering—Should be Sprayed

#### ARSENATE OF LEAD, REMEDY

(By United Press.)  
Indianapolis, Ind., June 21.—Reports reaching the office of the state entomologist, Frank N. Wallace, declare that the bean leaf beetle is causing a great deal of damage in Indiana now. The insects eat large holes in the leaves of beans and other such plants. They are about one-fifth of an inch in length and are yellowish green with four dark spots on the wing covers. The large dead spots on the wing covers are a sign of the beetle's work.

of the plant, thus doing double damage.

"Arsenate of lead should be sprayed on all bean patches as soon as any damage is noticed to plants," Wallace said today. "One ounce of powdered arsenate of lead to two and one-half gallons of water sprayed on the plants will usually control this pest. If Bordeaux mixture is mixed with the arsenate of lead, better results are obtained and this will protect the plants from disease and kill any other insects feeding upon them."

#### FOR RUSSIAN OFFENSIVE

(By United Press.)  
Petrograd, June 22.—The Russian congress of workmen and soldiers have unanimously resolved upon an immediate Russian offensive. The unanimous vote indicated even the Petrograd council which has been strongly in favor of peace has been won over to the war side.

# What President Wilson Says

Persistent reports have been circulated throughout the Sixth District that Hon. Finly H. Gray, Democratic candidate for Congress, did not give President Wilson proper support during the last session of Congress. That he might learn the truth, Bent Wilson, a manufacturer of Cambridge City, wrote to the President a few days ago. Below is a reproduction of the letter to the President and the President's reply.

## READ BOTH LETTERS

Cambridge City, June 15, 1917.

THE WHITE HOUSE

Washington, June 19, 1917.

President Woodrow Wilson,  
Washington, D. C.

Dear Sir:—

Reports are being circulated in this district that the Democratic candidate for Congress, Hon. Finly H. Gray, did not give proper support during the past two years to your recommendations for preparedness and other war measures.

Will you kindly give me the facts in the matter.

Very truly yours,

BENT WILSON.

My Dear Mr. Wilson:—

I am very glad indeed to reply to your letter of June fifteenth that the Honorable Finly H. Gray throughout his membership in the House has given the present administration the most generous and cordial support. It would afford me the greatest gratification to see him return to the House of Representatives.

Cordially and sincerely yours,

WOODROW WILSON.

Mr. Bent Wilson,  
Standard Manufacturing Co.  
Cambridge City, Indiana.

## MR. VOTER

If you want to do a patriotic service in this time of war, vote next Tuesday to send to Congress from the Sixth District a man who will give the President "most generous and cordial support."

That man is Hon. Finly H. Gray, who has been tried and found true to the President. Why send some other man who has no record and about whom you know little or nothing? Send an experienced man who has made good.

He declared that Mrs. Cox had been untrue to him and showed some letters to prove his claim. The judge fined him and showed some letters to prove that he be allowed to read the letters his wife wrote to Dalman.

# WOW!!! PAIN IN THE BACK Use Speedway Liniment

It goes right to the spot and brings soothing relief. Makes muscles limber up—oils up the joints and makes you forget your trouble in no time. Nothing equals Speedway Liniment for relieving rheumatism, lumbago and such ailments. It penetrates—does just what is needed for livening up the circulation and building up your system.

You can put it on full strength—rub it on right out of the bottle. It does not burn or blister—but it certainly does the business better than anything we ever knew of. Acts like a magic balm—never fails.

Speedway Liniment has brought relief to thousands of sufferers. Sold in 25c, 50c and \$1.00 bottles. Try a bottle and see how it relieves you. Money back if it does not.

Better get the large bottle and give it a good trial. Use it night and morning. If your case is bad, soak a little of the liniment into a flannel cloth and apply as a bandage. Leave it on over night.

Step in and ask for a bottle at Hargrove & Mullin and F. B. Johnson & Co.—(Adv.)

# COX URGES FINLY GRAY BE ELECTED

Indiana Congressman Speaks From Rear Seat of Automobile in Falmouth Thursday Night

# LOCAL DEMOCRATS ATTEND

Representative William E. Cox, of the Third Indiana District, speaking from the rear seat of an automobile, addressed a small crowd at a democratic meeting in Falmouth last night. A small delegation of local democrats attended the meeting. Finly Gray and County Chairman Cavitt were absent.

He urged the election of Finly Gray and said he was endorsed by the administration, particularly by Champ Clark. The Clark endorsement was made in a letter to a man in Cambridge City. The speaker declared that the president could best be upheld by naming a man of his own party to congress. He urged that a man of experience be sent to Washington. Representative Cox upheld Gray's record the six years he was in congress.

The democrats will close the campaign in Rush county with a meeting Saturday night in the assembly room of the court house. Representative Rainey of Illinois will address the meeting.

# TOMMY CAN SURE SLING THE SLANG

Americans Are Some Bears, But British Are Not so Worse When It Comes to This

# "EMMA-GEE" IS MACHINE GUN

A Bum Handout is a "Dud" Meal and A Gink With a Bone Head Is a "Dud" Bo

By WILLIAM PHILIP SUMMS  
(U. P. Staff Correspondent.)

With the British Armies in the Field, June 10—(By Mail)—Americans think they are some bears when it comes to slinging slang, but the British Tommy isn't so worse himself when he sets his bean to working along slangological lines.

What is patter than "Emma-Gee" for a machine-gun, for instance? Or "O-Pip" for an observation post? One must admit that there's some class to these terms and while you've got your goggles on this column just take it from me, that there's more pep of the same mustardy standard where this came from.

A "whizz-bang" is a shell of such velocity that its whizz and its bang are almost simultaneous. A "dud" is a shell which fails to explode. A bum handout is a "dud" meal and a gink with a bone head is a "dud" bo. The tip you got on the filly that was backed off the boards by the other nags on the back stretch, was a "dud" and the piece of rope the candidate for re-election handed you was a "dud" smoke.

A trench-mortar is a "Joe-Emma" and the big black ball of high explosive the Germans reply with is a "plum-pudding." An anti-aircraft gun is an "Archibald" or an "Archie," while the German shell which bursts with a fuzzy yellow puff of smoke is a "wooly bear."

To the English Tommy a German is a "Fritz" and "Fritz" he is to the Canadians. The Scotch call him an "Allyman" (probably after the French "Allemand"), but he is nobody to the Irish but a Jerry. A British staff officer is a "brass-hat" perhaps because of the gold braid on his cap, and Tommy's own head-gear, the steel helmet he must wear inside the shell area, is a "Tin hat."

Another name given the staff officers is the "lilies" supposedly on the theory that they toil not.

"Blighty" is England, and "going to Blighty" you can just bet your last specimen of spondulix, is a "little bit of all right." A "Blighty" is a small wound which invalids you home. A serious wound is not a "blighty" for the very simple reason that it puts a crimp in your traveling and gives you billets in a front sick-bay. If the wound is very bad, so bad that stimulants are necessary before you are operated, you will go to "Resurrection Ward."

"Ack-Emma" is morning. "Pip-Emma" is afternoon. And night is not infrequently called "Sawer" which is one way to pronounce the French word "soir." When a thing is all gone it's "na-poo" another assault and battery, with mayhem, on the Francais.

A group of mobile batteries, which turn the razzle-dazzle on Fritz or Jerry or Allyman, first at one part of the line then at another is called a "traveling circus." A battle, a raid, or any operation against the enemy of a similar nature, is a show. A "dud show" means that the stunt did not "come off"—in plain English the attackers pulled a lemon.

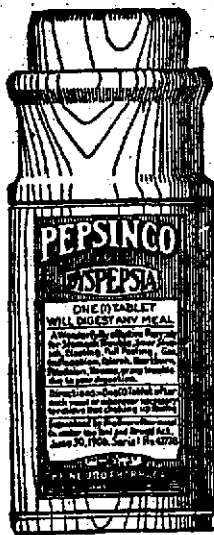

When Tommy says "Fritz got his wind up" he means he suffered an attack of frapped pedal extremities.

The guns of the largest calibre are "Grandpas." The next largest are "Grandmas." Of course "Daddy" is next and "Mother" next and "Uncle" "Auntie" and the "kids" follow down the scale plum to "Emma-Gee." The kids have all sorts of names: Willie, Harry, Sally, Mammie, Polly, Little Liz, and such, just as the gunners fancy happened to strike.

# JOHN NIPP Socialist Candidate for Congress

# Platform and Resolutions

To the voters of the Sixth Congressional District of the State of Indiana.

Greetings:— There will be an election held in the Sixth Congressional District to elect a congressman, successor to the Hon. D. W. Comstock, who recently died.

None but congress can raise a revenue to fight a war—and all bills that are made to raise a revenue to support the government must originate in the lower house of congress.

Therefore to elect a congressman is the most important duty that lies before the voters of the Sixth Congressional District at this particular time.

Public attention is now centered on what congress does and will do in the future. Both the old parties are in favor of war. And the eyes of the whole world are now turned toward the votes of this district.

Socialism is a relief from the oppression of tyranny and war. When a man becomes a socialist he becomes a civilized human and does not want to murder his fellowman. The cardinal principles of socialism are against the slaughter of the human family.

All candidates for congress on the socialist ticket are pledged to refer important measures that materially affect the welfare of his constituents for a referendum vote and no congressman can directly vote to plunge their country into a bloody war without calling an election in the district from where said congressman came and have the people hold an election and let the people who are the real power settle the matter by their votes.

This is pure democracy and is called a socialism. It is the only political party in this country that is willing to let a man who does the fighting in war and who also pays the taxes, say that his life is placed in his own hand.

Now as a result of the death of the late D. W. Comstock there is a vacancy in the Sixth Congressional District of the State of Indiana, and there will be some person elected to serve out the unexpired term and I would earnestly insist that all the people who are in favor of the referendum vote or who are opposed to a selective conscription to send our sons thousands of miles away to fight in foreign countries for an unknown cause, vote for Mr. John Nipp, who will faithfully perform his duty in the office and will inform his constituents of all the important transactions in congress and there is no secret diplomacy in socialism.

This will be the most important election that will ever be held in this district and we earnestly call on all classes of people, both democrats and republicans who are opposed to the war whose congressman has so willingly plunged our country into a bloody war with Europe to show their hand in this election and if our man is elected there will be a shock to the war jingoes that will be heard around the world. So let the Sixth Congressional District show its hand and fill the ballot boxes full of socialist votes.

There is no question in our minds but what our congress could have prevented this war. If the socialist ticket had been elected in full last fall there would have been no war with any foreign country. Then no congressman can sell out his constituents. There are now about 431 members of congress and under democratic and republican rule, none of these members are pledged to any specific duties and can sell their votes if they want to. The men who can ask our government to bond the people for \$7,000,000,000 could well afford to pay congressmen \$25,000 for a single congressional vote. When we look down at Evansville, Ind., and see where fraud was practiced at the ballot box and votes were bought and sold at from a drink of whisky to a \$5 bill and also at Terre Haute, Ind., where three years ago 125 men were sent to Leavenworth prison for frauds at the ballot box we can see it is not a safe plan to leave the question of war in the hands of any one man, when there is a chance for him to sell his vote.

Now we ask you to curb the power of this congressman for all time to vote for or against the question of war—or no war—then your lives will be in your own hands and not until then.

**PLATFORM**—Government ownership of railroads—coal mines—oil fields—public highways—in fact all large monopolies that require millions to operate and where the people are jointly interested.

The socialist party candidate pledges himself to vote and work for these principles if elected to congress.

JOHN NIPP, SR., Rushville, Ind.

Mrs. Ralph White was delightfully surprised with a pitch-in dinner Wednesday, given by her friends from her former home near New Salem. The table was tastefully arranged and was decorated with a large bowl of roses. Those who enjoyed the elegant two course dinner were: the Misses Enola Moorehead, Faye and Ruth Simpson, Beulah, Myldred and Helen Jinks, Grace Dewester and Vera Stone. After dinner the guests motored during the afternoon.

Mrs. James Smith entertained with a dinner at high noon, Wednesday at her home in Falmouth. Masses of roses and peonies were used to center the table and the guests included Mrs. Josephine Jeffry, Mrs. Edith McCrury and daughters Helen and Frances, Mrs. Helen Smith and daughter Lillian and son Ray, Mrs. Rena Little and Mrs. Emma Frye and daughter, Miss Mariam.

Mrs. Bert Davison proved to be a charming hostess, yesterday afternoon, when she entertained twenty members of the Emmon Embroidery club at the home of Mrs. Albert Winship in North Main street. Refreshments were served at the conclusion of the afternoon. Mrs. Albert Capp will be hostess to the club in two weeks.

Among the delightful affairs being given in honor of Miss Elizabeth Field of Owensboro, Ky., who is visiting Miss Ellendore Lampton, was a motor party last evening, given by Miss Carry Brown of Milroy. Aside from the guest of honor, the Misses June Lines, Emily Morgan, Ellendore Lampton and Clara Archey enjoyed the affair.

Miss Ellendore Lampton of Milroy entertained with a theater party, Wednesday evening in honor of her house guest, Miss Elizabeth Field of Owensboro, Ky. The guests motored to Greensburg and saw "Civilization."

Mrs. Earl Hinton was the hostess to the members of the Cross Country club and one guest, Mrs. Davis of Sheridan, yesterday at her country home west of this city. The delightful afternoon was spent over needlework and dainty refreshments were served.

Two tables of bridge were entertained by Mrs. Wilbur Stiers, yesterday afternoon. After the usual spirited rounds of cards, the hostess served light refreshments. The next meeting will be in two weeks with Miss Bertha Helm.

Mr. and Mrs. Gay Mulbarger were the host and hostess to a splendid course dinner today, when Mrs. Charles Jennings and son, Mrs. Jesse Vance and Miss Anna Vance, all of Newcastle were the guests.

Miss Mary Louise Miller entertained about twelve members of her Sunday school class, last evening at her home in North Jackson street. Dainty refreshments were served and then the guests were entertained with a theater party.

Mrs. Lowell Vickery entertained with a strawberry luncheon, yesterday afternoon at her home in Falmouth. The beautifully laid table was adorned with a large bowl of red roses. The guests included the Misses Doris Saxon, Lella Tindler and Sylvia Nelson.

At the regular meeting of the Lurline Council No. 296 in the Red men Hall last evening, the members decided to give \$10 to the Red Cross instead of helping in the carnival. During the business session the following officers were elected: Mrs. Lola DeWitt, prophetess; Mrs. Ollie Jones, Winona, Mrs. Anna Gilson, Pocahontas; Edwin Pate, Powhatan; Miss Eva Goble, pianist and Albert Harlan, Degree master.

## IMPORTANCE OF THE ELECTION IS SHOWN

Continued from Page 1.

tance of the election, it was pointed out today. With the loss of this district by the republicans congress will be democratic, but the election of Richard N. Elliott congress will again be republican.

It is not necessary to be registered to vote in this election. Since the last election many voters have changed their places of residence and are now hesitating about voting because they know they are not registered in the precinct in which he lives. They know only qualifications for this election is that the voter be of legal age, has resided in the state six months, the county sixty days and the precinct thirty days.

"There, never was a time in the history of the country," said one prominent republican today, "when the interests of the country demanded the return of a republican congressman from this district to Washington. The democrats have a candidate, who has twice voted against the president and if he is returned there, would probably quibble and squirm over the spending of money to prosecute this war successfully for all we know insist on using muzzle-loading guns and otherwise hamper the government."

The party organization is working hard but the actual result is up to the voters, it was pointed out.

Orders Issued Against Militant Suffragists Carrying Banners or Standing Before Capitol

### TWO WOMEN UNDER ARREST

(By United Press.)

Washington, June 22.—Police today put an end to suffrage picketing of the white house. Following two days of near rioting orders were issued against militants carrying banners or standing before the white house. A line of patrolmen and police women was stationed from the suffrage headquarters, a block away from the white house to the gates of the mansion.

Shortly after the order was issued police failed to dissuade peacefully Lucy Burns and Katherine Morey, militant leaders, from unfurling a banner before the white house, and arrested the women. At headquarters they were warned against further attempts and released.

Orders against picketing were issued following a conference of police officials and Alice Paul, leading suffragist. There were suggestions that her remarks were such as to startle the nation.

## SAVE SUGAR MAKING JELLY

Much waste of sugar and spoilage of jellies can be avoided by using a simple alcohol test recommended by the Bureau of Chemistry, United States Department of Agriculture. To determine how much sugar should be used with each kind of juice put a spoonful of juice in a glass and add to it one spoonful of 95 per cent grain alcohol, mixed by shaking the glass gently. Pour slowly from the glass, noting how the pectin—the substance in fruits which makes them jelly—is precipitated. If the pectin is precipitated as one lump a cup of sugar may be used for each cup of juice; if in several lumps the proportion of sugar must be reduced to approximately three-fourths the amount of the juice. If the pectin is not in lumps but is merely precipitated, the sugar should be one-half or less of the amount of the juice. If the juice shows no precipitation under this test, it is unsuitable for jelly making and must be combined with apples or other juices rich in pectin.

The housewife will do well before making the test, to taste the juice, as fruits not as acid as good tart apples probably will not make good jelly unless mixed with other fruits which are acid.

## PARTIES POLICIES IN PEACE, ISSUE

Senator James E. Watson Delivers  
First Speech of District  
Campaign at Shelbyville

PRAISES G. O. P. CANDIDATE

Recalls Republican Party in Con-  
gress Has Supported the Ad-  
ministration War Measures

Shelbyville, Ind., June 22.—Sen-  
ator James E. Watson opened the  
republican speaking campaign for  
Shelby county last night when he  
addressed a crowd at the city Opera  
house. He was accompanied by  
Richard N. Elliott, republican can-  
didate for Congress from the Sixth  
District, who mingled with the  
crowd and met the republican lead-  
ers in Shelby county. Senator Wat-  
son began by saying "whether we  
want war, or like it we are in. It's  
too late to discuss whether we  
could have kept out by proper diplo-  
macy, so the only safe and honor-  
able way is the forward way. The  
republican party in congress has  
supported the administration war  
measures as far as they deemed  
such as wise and patriotic and con-  
ducive to the mobilization of the  
country's power. The Republican  
party will continue to stand by the  
country in its day of stress just as  
it has done in all history.

"Therefore, the real question in  
this congressional contest is as to  
the peace policies of the two parties,  
and the question for you voters is to  
decide whether you believe in the  
policies of the democrats or republi-  
cans as heretofore administered in  
time of peace. So far as interna-  
tional questions are concerned, we  
are all one, but that does not mean  
that in order to be patriotic we  
must abandon our views domestic-  
ally. It is not necessary to abandon  
the republican party to be patriotic,  
but it is essential to adhere to re-  
publican policies if prosperity is to  
come to us in the readjustment after  
the war.

"The republican candidate, Mr.  
Elliott, is a man of fine fiber, intel-  
ligently and morally, fully qualified  
to represent the sentiment of the  
people in this district and to legis-  
late for high interests and dear  
concern for the people of the entire  
nation."

Preceding the speech at the City  
Opera House, Senator Watson made  
a Red Cross address to the public  
from a platform in the Public  
Square, in which he praised the citi-  
zens of this county in being the first  
in the state to raise their full quota  
for the national organization.

One of the main points of this  
address was that the speaker as-  
sured his audience the Red Cross in  
this conflict is as essential as pow-  
der and bullets.

## ADDS ANOTHER CHAPTER TO CASE

William Fishbach and Ray Landess  
Go on Trial Charged With  
Murdering Roy Brown

CIRCUMSTANTIAL EVIDENCE

Indictment Returned Ten Months  
After Crime Committed—  
Politics Mixed in Case

(By United Press.)

Hartford City, Ind., June 22.—  
Another chapter in one of Indiana's  
most noted murder case was started  
yesterday in Blackford Circuit court  
when William Fishbach and Ray  
Landess went on trial before Judge  
W. H. Eichhorn on the charge of  
murdering Roy E. Brown, a young  
grocer of Redkey, Ind., The case  
will be tried here on a change of  
venue from Jay county.

Brown was killed on the night of  
Jan. 29, 1916 and his body was  
found in a corn field two months  
later by a farmer. There were sev-  
eral bullet holes in the body, but  
investigation showed that these were  
made sometime after death. It was  
established beyond doubt that  
Brown's death was caused by stran-  
gulation. The grand jury indictment  
is in three counts. It charges that  
Brown met death by strangulation;  
that he was shot to death and that  
he met death by means unknown to  
the jurors.

It was ten months after the body  
was found that a grand jury was  
called to investigate the case. Pol-  
itics, it was charged, kept the  
authorities from making a thorough  
investigation. The first grand jury  
returned no indictment, but in its  
report urged further investigation. A  
short time later another grand jury  
was called and Fishbach and Lan-  
dess were indicted.

The opinion of authorities is that  
a gang, calling themselves the  
"Roughnecks" killed Brown. "Keg  
parties" were often given by the  
gang. It will be disclosed at the  
trial that the gang held one of these  
parties every night beginning the  
Tuesday of the week in which he  
was killed. By Saturday, it is  
charged, the crowd had exhausted  
its money. They lured Brown to a  
lunchroom, telling him that a girl  
wished to see him, officials declare  
and as he crossed railroad tracks  
on his way to the restaurant, he was  
attacked. The state believed that  
the gang only intended to rob Brown  
but he was strangled to death while  
they were trying to keep him from  
making an outcry.

## DETERMINES WHAT SOLDIERS NEED

Recreation Work in Indianapolis is Placed on Common Sense Basis and is a Success

EVERY ONE CARD-INDEXED

All the Clubs of City Have a War Committee and They Keep in Touch With Conditions

(By United Press.)

Ft. Benjamin Harrison, Ind., June 22.—In order to furnish wholesome recreation for the soldiers in training, it must first be determined what sort of recreation they prefer—to connect up the ties of home, church and fraternity—it must be known what these ties were when they were broken for the man to become a soldier.

As a result every one of the men in training at Ft. Harrison has been card-indexed by the war recreation bureau under the direction of James Edward Rogers. The bureau knows every man's religions, his family connections, if he has friends in Indianapolis, what lodges he belongs to, what school he attended and in what fraternity he may hold membership.

Now in connection with these, men and women of Indianapolis have been organized to correspond to this. These organizations are given the names of their members, at the camp. Take John Smith as an example. He attended Ohio State university; holds membership in the Delta Upsilon fraternity, Elks lodge; is a Presbyterian; banker and member of the Rotary club.

After finding out all these things about John Smith, the war recreation bureau goes to the Ohio State university alumni association and tells them that John Smith, a fellow alumnus is at Ft. Harrison and is looking for entertainment on Saturday afternoons and Sundays. They tell the Elks, the Rotary club and the Indianapolis Bankers association the same thing. A Presbyterian pastor is given Smith's name and asked to look out for his religious welfare. The chances are, with these connections, Smith isn't going to have much time to loaf around dives and saloons—even if he wished to do so.

But that isn't all. While being entertained at one of the clubs, or on meeting some of the members, Smith is invited out to a home. The mother, who will probably be a member of the Women's Federation of Clubs, is acquainted with the work being done by the war recreation council. After Smith leaves, she sits down and writes his mother a letter. She tells her that John's appetite is good; that his socks don't need darning and that he's getting fat. And when John's sister Susie got tired of sewing socks for soldiers and boards the train to visit her soldier brother, she is met at the train by a mother and asked to stay at her home during the time she is visiting with John. She does not have to risk the dangers of a new city alone.

Every club in Indianapolis has a war committee. They keep open house every Saturday and Sunday. Special entertainments are provided. Through the war recreation bureau, every man at the fort is going to be given an auto ride throughout the city. Owners of cars, offer their services free. Last Saturday, 500 Kentucky boys saw the sights of Marion county. Next Saturday, 500 more will go and so on until all have had the benefit of a ride.

## STORY SHOWN TO BE A FALSEHOOD

Senator W. Johnson of California Wires R. N. Elliott, Thus Settling at Rest Campaign Tale

SORRY HE CAN'T SPEAK HERE

A story spread throughout the district by the democratic press that the reason Senator Hiram Johnson of California would not speak at Richmond tomorrow night in behalf of Richard N. Elliott, the republican candidate for congress, was because he had investigated Elliott's record and found he had always been a republican, was shown to be mere political "claptrap" by Senator Johnson himself, who has sent Mr. Elliott the following telegram:

"It is with profound regret that I find myself unable to go to Richmond as has been suggested. On the fifth day of June in writing I notified Senator Watson that I could not and asked him therefore to make no such engagement. Had it been possible I should have been very glad to be a part of your campaign, to have added my little to the testimony in your behalf and to have expressed to the people of your district my opinion that they could render no better service to their state and their nation at this time than by your election. I send you my best wishes for success."

For those who are in need of a backache, it is a good plan to try Doan's Kidney Pills. They are strongly recommended by Rushville people.

Mrs. Lizzie Boren, 840 W. 9th St., Rushville says, "About six years ago I began to have trouble with my kidneys. The kidney secretions were very annoying in passage and the trouble kept getting worse. Doctors said it was gravel but none of them ever did me any good. A short time ago I heard of how someone else was cured by Doan's Kidney Pills, so I got a box at Wolcott's Drug Store. They helped me and I kept on using them. I have taken four boxes so far and the pain has left and I feel a great deal better." Price 50c, at all dealers. # ? NOW WILL YOU LISTEN ?

The prices on buggies are advancing every day and there is no way to stop it. The only remedy is to buy where they have a supply that was purchased before any advance was placed on them. I have the buggies and the price is the same as it was the first of the year. Do you want to save some money on a buggy? If you do, see me. Then again I want you to listen—I have two cars of storm buggies bought. One car will be in about July 1st, and they are the well and favorably known, Zimmerman line, the one line of buggies that no dealer can tell you is not the best to be had. The Zimmerman buggy is the best built buggy and has been for years, and is well known in Rush County, and every man that ever owned a Zimmerman buggy will tell you they give satisfaction. The price I am able to quote you on these storm buggies will interest you, but don't wait until these are sold before you investigate the proposition. Come in now, we have a sample on the floor and will take your order for one and you can get it any time.

## If Clean Hands Count— Then Reo the Fifth

IT TAKES ALL THE FUN out of a motoring trip when you have to fuss with a motor or transmission or an ignition system.

SOILED HANDS, soiled clothes, a ruffled temper—and you wish you hadn't gone.

REO OWNERS NEVER are seen tinkering with their cars on the road. Not even with tires. For Reos are made better—tired more liberally to ensure you against just that.

REOS are accessible to the last degree.

BUT ALSO THEY ARE so well and so carefully made you might own a Reo the Fifth for years without ever discovering that quality unless you read it in an ad.

FOR ALMOST NEVER do you need to get at a Reo part.

BUT IF YOU SHOULD ever need to make an adjustment or replace a part, you'll find you can do so with ease and expedition.

THE REO IDEA from the first was to make the most dependable automobile in the world.

THAT COULD BE DONE only by using the best of materials everywhere, and then making and assembling them with the utmost accuracy.

ASK ANY REO OWNER how long it is since he lifted the hood of his Reo—how often he has seen the inside since he owned his car.

HIS ANSWER will decide that question for you.

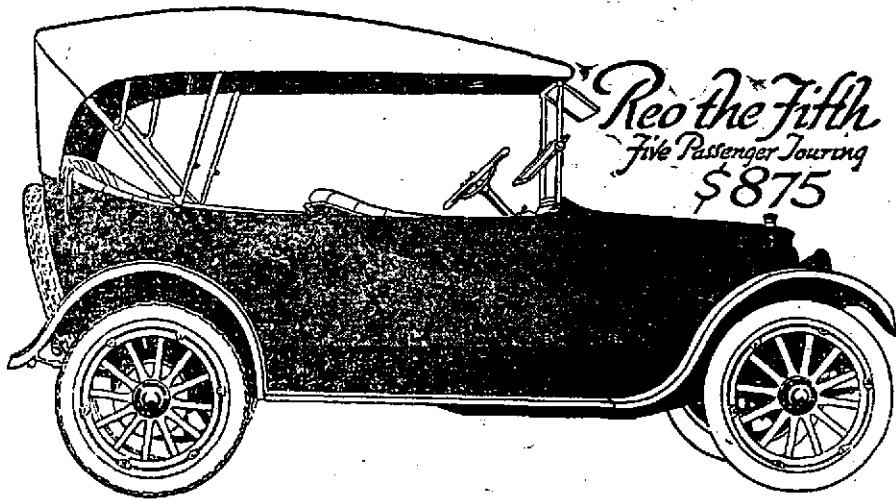

THE LOW UPKEEP cost of Reos—and Reo cars and trucks are famous for their low cost of upkeep as well as of operation—is due to the fact that they are made right in the first place and then to the ease with which any adjustment or replacement can be made.

ASK REO OWNERS ALSO about dependability and gasoline economy.

THEN HURRY and place your order—for there won't be—can't be—enough Reos to go 'round.

Christie Says Housekeepers Are Co-Operating With Government in Food Conservation

### CLASSIFICATION OF FOODS

Urgs Against Loading Table Down With Several Kinds of Food of the Same Class

(By United Press.)

Indianapolis, Ind., June 22.—Indiana housekeepers are making every effort to co-operate with the federal and state governments in food conservation and beneficial results are already noticeable, according to a statement issued by G. I. Christie, state food director today.

"Instead of loading the table with several kinds of food of the same class, the careful cook is finding that by alternating the foods prepared for different meals, but at the same time providing one sort from each of the necessary groups, the menu is being made more pleasing and economical," says the statement.

A simple classification of foods that can be readily applied to planning meals was given out by the food department, as follows:

Proteins—Peas, beans, cheese, meat, fish, milk and the like.  
Starches—Bread, hominy, rice, macaroni, potatoes, cereals.  
Sugars—Sugar, preserves, jelly, candy, honey.

Fats—Butter, cream lard, bacon.  
Fruits and vegetables—Berries, dried and fresh fruits, green peas, green beans, cabbage, tomatoes and lettuce.

"Some food from each group should be included in every meal," the report states. "More than two foods of any one class will make the meal expensive and will reduce the chance of giving something new at the next meal."

"Proteins are expensive and care should be exercised in their purchase. Peas and beans are the cheapest proteins and should replace to a considerable extent meat and eggs. Meat must be eaten in moderation if costs are to be kept down: Cottage cheese and milk, on the farm, are excellent sources of protein."

"Bread and potatoes in the past have been the staple American foods and the starch group should still make up the bulk of every meal. Even with wheat at \$3 a bushel, bread is still one of our cheapest foods."

"Potatoes are an extremely high costing food and to find suitable substitutes for them is still a difficult problem. Rice, hominy and fried mush are good substitutes and much cheaper. All can be made palatable."

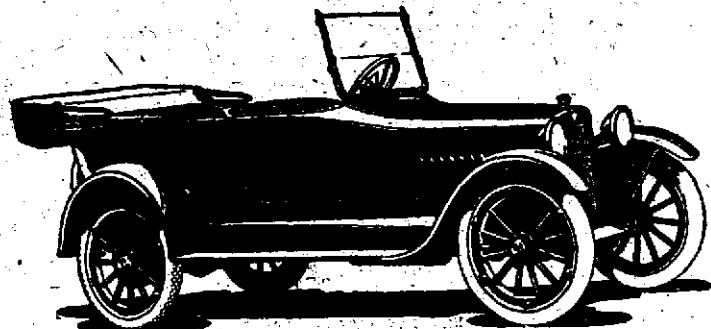

"Sugars and fats are expensive and should be eaten sparingly."

"Fruits and green vegetables are essential to health. Vegetables such as beans and peas are cheap or can easily be raised in gardens."

## MORE FARM LAND IS CULTIVATED

Statistics Show State Has 500,000 More Acres Producing Than Last Year

340,000 PERSONS FARMING

(By United Press.)

Indianapolis, Ind., June 22.—Indiana has more farm land than ever before under cultivation this year in her campaign to increase the food production of the country, reports by H. A. Roberts, state statistician showed today.

The total acreage of farm land in the state is 21,660,186 acres of which 16,931,252 is "improved." This is an increase of nearly 500,000 acres over last year.

There are 220,297 separate farms in the state, the statistician's report shows. The value of farm land is placed at \$1,328,196,545 and the value of buildings, machinery, livestock, implements and other improvements is placed at \$1,809,135,238.

There are 340,000 persons in the state engaged in agricultural pursuits, the report states. The rural population of the state, including cities under 2,500 population, is 41,564,481.

## ITALIAN PREMIER STATES WAR AIMS

Boselli Says Peace Without Victory of Civilization and National Freedom is Impossible

PRAISES THE UNITED STATES

By J. H. HEARLY

(U. P. Staff Correspondent.)

Rome, June 22.—"Peace without victory of civilization and without complete national freedom is impossible; it would be merely the forerunner of a new and more inhuman war," was the keynote of Italy's war and peace aims as explained by Premier Boselli.

The announcement created a favorable impression.

Boselli referred to America's intervention, praising President Wilson's statement and speeches. He declared America's every act since entering the war had been to create a good moral lesson and had great
